

Amendment No. (for drafter's use only)

CHAMBER ACTION

Senate

House

1 Representative(s) Brummer offered the following:

2
3 **Amendment (with title amendment)**

4 Remove lines 86-104 and insert:

5 inputs into the river and associated springs. The Department of
6 Environmental Protection shall submit a report to the President
7 of the Senate and the Speaker of the House of Representative
8 before the 2007 Regular Session of the Legislature.

9 (b) The Department of Health shall contract for a study by
10 an independent entity to identify and quantify the nitrogen
11 loading from onsite wastewater treatment systems within the
12 Wekiva Study Area. The objectives of the study shall be
13 determined by the Department of Health's Technical Review and
14 Advisory Panel which shall also have oversight of the study. The
15 Department of Health shall present a report to the Governor, the
16 President of the Senate, and the Speaker of the House of
17 Representatives no later than February 1, 2007. The report shall

Amendment No. (for drafter's use only)

18 assess whether onsite wastewater treatment systems are a
19 significant source of nitrogen to the underlying groundwater
20 relative to other sources and shall recommend a range of
21 possible cost-effective onsite wastewater treatment system
22 nitrogen reduction strategies if contributions are significant.
23 Rulemaking pursuant to s. 369.318(2), Florida Statutes, shall be
24 suspended until the completion of the study.
