1 House Resolution

2 A resolution reaffirming support of Israel and concurring
3 in United States Senate Concurrent Resolution 79 relating
4 to the Palestinian Authority.

5
6 WHEREAS, it is the sense of this assembled body, in keeping
7 with its time-honored traditions, to periodically reaffirm its
8 support of nations and peoples with whom the State of Florida
9 and this nation have had long-standing close relationships, and

10 WHEREAS, as a result of recent Palestinian Authority
11 elections, it is incumbent upon this assembled body to stand by
12 and support, with the firmest declaration of friendship, the
13 people and State of Israel, and

14 WHEREAS, the democratic systems of government and
15 pioneering histories of the United States and Israel linked and
16 established a mutual respect between our two nations from the

18 offered official United States recognition of Israel a mere 11
19 minutes after it had declared its independence as a sovereign
20 state, and

21 WHEREAS, the bond many Floridians have with Israelis is
22 both strong and fervent; many Floridians have family and friends
23 in Israel; and Florida and Israel have created many joint
24 economic and social programs that have greatly benefited both,
25 and

26 WHEREAS, since September 11, 2001, Americans, especially in
27 Florida, have become sadly familiar with and gained a greater
28 and deeper understanding of the specter of terrorism, and it is

29 | this unfortunate understanding that has strengthened the union
30 | of the hearts and souls of Israelis and Floridians against the
31 | evil which threatens to destroy humane and compassionate
32 | society, and

33 | WHEREAS, Florida shares with Israel as well a deep belief
34 | in democracy, freedom, and security within their borders, and it
35 | is therefore with great dismay that this assembled body views
36 | the admittance of the Islamic Resistance Movement, Hamas, to the
37 | Palestinian Legislative Council without its being required to
38 | renounce its terrorist acts or to acknowledge the State of
39 | Israel's right to exist, and

40 | WHEREAS, the fact that Hamas holds a majority of the seats
41 | in this government magnifies the concern exponentially, and

42 | WHEREAS, Hamas, recognized by the international community
43 | as a terrorist organization, is responsible for more than 425
44 | terrorist attacks since the beginning of the second intifada in
45 | the fall of 2000 and the deaths of 377 people, including women
46 | and children and approximately 27 Americans, since 1993, and

62 |

63 | That the House of Representatives pauses in its
