The Committee on Education (Wilson) recommended the following amendment:

**Senate Amendment (with title amendment)**

On page 22, line 11, before the period

insert: in order to maintain oversight of the program. The department shall report on the outcome measures and the department's oversight activities in a report to the Legislature. The report must be prepared and submitted to the committees of jurisdiction for issues relating to children and families in the Senate and House of Representatives no later than January 31 of each year. The report must include:

(a) An analysis of performance on outcome measures developed under this section reported for each community-based care lead agency and compared with the performance of the department on the same measures;

(b) A description of the department's oversight of the program including, by lead agency, any programmatic or fiscal deficiencies found, corrective actions required, and current status of compliance; and
