The Committee on Health Care (Atwater) recommended the following amendment:

Senate Amendment

On page 2, line 28, through
page 3, line 3, delete those lines

and insert:

(5) The owner of the common database maintains a policy and procedures manual that governs the participating pharmacies and pharmacists, which shall be made available to the board upon request. The manual shall include the following information:

(a) A best-practices model detailing how each pharmacy and pharmacist accessing the common database will comply with applicable federal and state laws, rules, and regulations;

(b) The procedure for maintaining appropriate records for regulatory oversight for tracking the prescription during each stage of the filling and dispensing process, identifying the pharmacists involved in filling and dispensing the prescription and counseling the patient, and responding to

Bill No. SB 1838

1 requests for information made by the board pursuant to s.

2 465.0156;

3 (c) The policy and procedures to provide adequate

4 security to protect the confidentiality and integrity of

5 patient information; and

6 (d) A quality assurance program designed to

7 objectively and systematically monitor, evaluate, and improve

8 the quality and appropriateness of patient care through the

9 use of the common database.
