including garages, will be permitted. All beach compatible
material excavated under this subparagraph must be maintained
on site seaward of the coastal construction control line.
However, during the permit review process, pursuant to s.
161.053, the department may favorably consider authorized sand
placement on adjacent properties if the permittee has
demonstrated every reasonable effort to effectively use all
beach quality material on site to enhance the beach and dune
system, and has prepared a comprehensive plan for beach and
dune nourishment for the adjoining area.
