The Committee on Regulated Industries (Wise) recommended the following **amendment to amendment** (345568):

**Senate Amendment (with title amendment)**

On page 3, between lines 7 and 8,

insert:

Section 4. Subsection (5) is added to section 489.516, Florida Statutes, to read:

489.516 Qualifications to practice; restrictions; prerequisites.--

(5) Notwithstanding any other provision to the contrary, a certified electrical contractor, registered alarm system contractor I, registered alarm system contractor II, or alarm system contractor I or alarm system contractor II that is a certified alarm system contractor is exempt from any local law, ordinance, or code that requires a contractor to be listed or placarded by a nationally recognized testing laboratory or to be certified by any regionally or nationally recognized certification organization. However, a county, municipality, or special district may require any such

1 electrical contractor or alarm system contractor to provide,  
 2 at the final inspection of a fire alarm system, the  
 3 documentation required by NFPA No. 72, "National Fire Alarm  
 4 Code," for installation and monitoring. This subsection does  
 5 not prohibit a county, municipality, or special district from  
 6 requiring compliance with the Florida Fire Prevention Code or  
 7 with NFPA No. 72.
