17 (1) It is the intent of the Legislature to prevent
18 vehicular fatalities by prioritizing enforcement on segments
19 of highways that have a high incidence of speeding-related
20 crashes. Enforcement shall also be prioritized during the
21 times that speeding-related crashes most often occur. The
22 enforcement of these zones shall be in a way that maximizes
23 public safety.

24 (2) No later than July 1, 2007, the Department of
25 Transportation shall identify enhanced penalty zones on state
26 roads in Brevard, Duval, and Palm Beach Counties as a pilot
27 program in an effort to reduce speeding-related crashes on
28 state roads. This pilot program shall stand repealed July 1,
29 2010, unless reviewed and saved from repeal through
30 reenactment by the Legislature.
