The Committee on Education Appropriations (Miller) recommended the following amendment:

Senate Amendment (with title amendment)

On page 97, line 13, delete that line

and insert: inadequate progress. A contract to administer an alternative school may not be entered into with a private entity which contract changes the character of the alternative school population as it existed when the alternative school was administered by the public school system. The term "character of the alternative school population" means the percentage of students having learning disabilities, physical disabilities, emotional disabilities, or developmental disabilities, as well as the percentage of students having discipline problems;
