Senate Resolution

A resolution encouraging responsible vendors providing alcoholic beverages to the public to use devices to prevent underage drinking and to educate and train their managerial staff and employees about such devices.

WHEREAS, it is in the best interest of Florida's citizens that efforts be undertaken to promote the elimination of the sale of alcoholic beverages to, and consumption of alcoholic beverages by, underaged persons, and

WHEREAS, the state would like to encourage alcoholic beverage vendors to be prudent in their serving practices, and

WHEREAS, there is identification-verification technology and devices such as age-verification machines that could aid vendors in detecting such abuses of false identification, and

WHEREAS, under current state law, vendors providing alcoholic beverages to the public are not required to use such devices or make their managerial staff and employees aware of such devices, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That responsible vendors providing alcoholic beverages to the public are encouraged to provide information and educate their managerial staff and employees about identification-verification technology and devices such as age-verification machines.

BE IT FURTHER RESOLVED that such vendors are encouraged to purchase and utilize identification-verification technology

1 | and age-verification machines in order to prevent the sale of
2 | alcoholic beverages to, and consumption of alcoholic beverages
3 | by, underaged persons.
