The Committee on Environmental Preservation (Smith)  
recommended the following **substitute for amendment** (371194):

**Senate Amendment (with title amendment)**

On page 6, line 22, through  
page 7, line 4, delete those lines

and insert:

(d) The determination of the Administration Commission  
as to whether substantial progress has been made toward  
accomplishing the tasks of the work program may be judicially  
reviewed pursuant to chapter 86. All proceedings shall be  
conducted in the circuit court where the Administration  
Commission maintains its headquarters and shall be initiated  
within 30 days after rendition of the Administration  
Commission's determination. The Administration Commission's  
determination as to whether substantial progress has been made  
toward accomplishing the tasks of the work program shall be  
upheld if it is supported by competent and substantial  
evidence and shall not be subject to administrative review  
under chapter 120.

Bill No. SB 2098

Barcode 930672

1       (e) After removal of the designation as an area of  
2 critical state concern, the state land planning agency shall  
3 review proposed local comprehensive plans, and any amendments  
4 to existing comprehensive plans, which are applicable to the  
5 Florida Keys Area, the boundaries of which were described in  
6 chapter 28-29, Florida Administrative Code, as of January 1,  
7 2006, for compliance with subparagraphs 1. and 2., in addition  
8 to reviewing proposed local comprehensive plans and amendments  
9 for compliance as defined in s. 163.3184. All procedures and  
10 penalties described in s. 163.3184 apply to the review  
11 conducted pursuant to this paragraph.

12       1. Adoption of construction schedules for wastewater  
13 facilities improvements in the annually adopted capital  
14 improvements element and adoption of standards for the  
15 construction of wastewater treatment facilities which meet or  
16 exceed the criteria of chapter 99-395, Laws of Florida.

17       2. Adoption of goals, objectives, and policies to  
18 protect public safety and welfare in the event of a natural  
19 disaster by maintaining a hurricane evacuation clearance time  
20 for permanent residents of no more than 24 hours. The  
21 hurricane evacuation clearance time shall be determined by a  
22 hurricane evacuation study conducted in accordance with a  
23 professionally accepted methodology and approved by the state  
24 land planning agency. ~~The state land planning agency,~~  
25 following July
