The Committee on Judiciary (Baker) recommended the following amendment:

Senate Amendment

On page 13, line 26, through
page 14, line 9, delete those lines

and insert:

Structures that qualify for this exemption are relieved from any requirement to obtain permission to use or occupy lands owned by the Board of Trustees of the Internal Improvement Trust Fund and, with the exception of those structures attached to a bulkhead on a parcel of land where there is no docking structure, shall not be subject to any more stringent permitting requirements, registration requirements, or other regulation by any local government. Local governments may require either permitting or one-time registration of floating vessel platforms to be attached to a bulkhead on a parcel of land where there is no other docking structure as necessary to ensure compliance with local ordinances, codes, or

1 regulations. Local governments may require either permitting
2 or one-time registration of all other floating vessel
3 platforms as necessary to ensure compliance with the exemption
4 criteria in this section; to ensure compliance with local
5 ordinances, codes, or regulations relating to building or
6 zoning which are no more stringent than the exemption criteria
7 in this section or address subjects other than subjects
8 addressed by the exemption criteria in this section; and to
9 ensure proper installation, maintenance, and precautionary
10 action or evacuation following a tropical storm or hurricane
11 watch of a floating vessel platform or floating boat lift that
12 is proposed to be attached to a bulkhead or parcel of land
13 where there is no other docking structure. The
