11 Senator Baker moved the following amendment:

13 **Senate Amendment**

14 On page 13, line 26, through
15 page 14, line 9, delete those lines

17 and insert:

19 Structures that qualify for this exemption are relieved from
20 any requirement to obtain permission to use or occupy lands
21 owned by the Board of Trustees of the Internal Improvement
22 Trust Fund and, with the exception of those structures
23 attached to a bulkhead on a parcel of land where there is no
24 docking structure, shall not be subject to any more stringent
25 permitting requirements, registration requirements, or other
26 regulation by any local government. Local governments may
27 require either permitting or one-time registration of floating
28 vessel platforms to be attached to a bulkhead on a parcel of
29 land where there is no other docking structure as necessary to
30 ensure compliance with local ordinances, codes, or
31 regulations. Local governments may require either permitting

1 or one-time registration of all other floating vessel
2 platforms as necessary to ensure compliance with the exemption
3 criteria in this section; to ensure compliance with local
4 ordinances, codes, or regulations relating to building or
5 zoning which are no more stringent than the exemption criteria
6 in this section or address subjects other than subjects
7 addressed by the exemption criteria in this section; and to
8 ensure proper installation, maintenance, and precautionary
9 action or evacuation following a tropical storm or hurricane
10 watch of a floating vessel platform or floating boat lift that
11 is proposed to be attached to a bulkhead or parcel of land
12 where there is no other docking structure. The
