7 community redevelopment plan by the governing body. The  
8 purchasers or lessees and their successors and assigns shall  
9 be obligated to devote such real property only to the uses  
10 specified in the community redevelopment plan and may be  
11 obligated to comply with such other requirements as the  
12 county, municipality, or community redevelopment agency may  
13 determine to be in the public interest, including the  
14 obligation to begin any improvements on such real property  
15 required by the community redevelopment plan within a  
16 reasonable time. Notwithstanding any provision to the contrary  
17 in this subsection, any property acquired by the power of  
18 eminent domain may not be transferred to private ownership  
19 except as necessary to accomplish a purpose authorized under  
20 s. 127.01(2) or s. 166.411.

21 (2) Such real property or interest shall be sold,  
22 leased, otherwise transferred, or retained at a value  
23 determined to be in the public interest for uses in accordance  
24 with the community redevelopment plan and in accordance with  
25 such reasonable disposal procedures as any county,  
26 municipality, or community redevelopment agency may prescribe;  
27 however, any property acquired by the power of eminent domain  
28 may not be transferred to private ownership except as  
29 necessary to accomplish a purpose authorized under s.  
30 127.01(2) or s. 166.411. In determining the value of real  
31 property as being in the public interest for uses in

1 | accordance with the community redevelopment plan, the county,  
2 | municipality, or community redevelopment agency shall take  
3 | into account and give consideration to the long-term benefits  
4 | to be achieved by the county, municipality, or community  
5 | redevelopment agency resulting from incurring short-term  
6 | losses or costs in the disposal of such real property; the  
7 | uses provided in such plan; the restrictions upon, and the  
8 | covenants, conditions, and obligations assumed by, the  
9 | purchaser or lessee or by the county, municipality, or  
10 | community redevelopment agency retaining the property; and the  
11 | objectives of such plan for the prevention of the recurrence  
12 | of slum or blighted areas. In the event the value of such  
13 | real property being disposed of is for less than the fair  
14 | value, such disposition shall require the approval of the  
15 | governing body, which approval may only be given following a  
16 | duly noticed public hearing. The county, municipality, or  
17 | community redevelopment agency may provide in any instrument  
18 | of conveyance to a private purchaser or lessee that such  
19 | purchaser or lessee is without power to sell, lease, or  
20 | otherwise transfer the real property without the prior written  
21 | consent of the county, municipality, or community  
22 | redevelopment agency until the purchaser or lessee has  
23 | completed the construction of any or all improvements which he  
24 | or she has obligated himself or herself to construct thereon.  
25 | Real property acquired by the county, municipality, or  
26 | community redevelopment agency which, in accordance with the  
27 | provisions of the community redevelopment plan, is to be  
28 | transferred shall be transferred as rapidly as feasible in the  
29 | public interest, consistent with the carrying out of the  
30 | provisions of the community redevelopment plan. Any contract  
31 | for such transfer and the community redevelopment plan, or

1 such part or parts of such contract or plan as the county,  
2 municipality, or community redevelopment agency may determine,  
3 may be recorded in the land records of the clerk of the  
4 circuit court in such manner as to afford actual or  
5 constructive notice thereof.

6 (3)(a) Prior to disposition of any real property or  
7 interest therein in a community redevelopment area, any  
8 county, municipality, or community redevelopment agency shall  
9 give public notice of such disposition by publication in a  
10 newspaper having a general circulation in the community, at  
11 least 30 days prior to the execution of any contract to sell,  
12 lease, or otherwise transfer real property and, prior to the  
13 delivery of any instrument of conveyance with respect thereto  
14 under the provisions of this section, invite proposals from,  
15 and make all pertinent information available to, private  
16 redevelopers or any persons interested in undertaking to  
17 redevelop or rehabilitate a community redevelopment area or  
18 any part thereof. Such notice shall identify the area or  
19 portion thereof and shall state that proposals must be made by  
20 those interested within 30 days after the date of publication  
21 of the notice and that such further information as is  
22 available may be obtained at such office as is designated in  
23 the notice. The county, municipality, or community  
24 redevelopment agency shall consider all such redevelopment or  
25 rehabilitation proposals and the financial and legal ability  
26 of the persons making such proposals to carry them out; and  
27 the county, municipality, or community redevelopment agency  
28 may negotiate with any persons for proposals for the purchase,  
29 lease, or other transfer of any real property acquired by it  
30 in the community redevelopment area. The county,  
31 municipality, or community redevelopment agency may accept

1 such proposal as it deems to be in the public interest and in  
2 furtherance of the purposes of this part. Except in the case  
3 of a governing body acting as the agency, as provided in s.  
4 163.357, a notification of intention to accept such proposal  
5 must be filed with the governing body not less than 30 days  
6 prior to any such acceptance. Thereafter, the county,  
7 municipality, or community redevelopment agency may execute  
8 such contract in accordance with the provisions of subsection  
9 (1) and deliver deeds, leases, and other instruments and take  
10 all steps necessary to effectuate such contract.

11 (b) Any county, municipality, or community  
12 redevelopment agency that, pursuant to the provisions of this  
13 section, has disposed of a real property project with a land  
14 area in excess of 20 acres may acquire an expanded area that  
15 is immediately adjacent to the original project and less than  
16 35 percent of the land area of the original project, by  
17 purchase ~~or eminent domain~~ as provided in this chapter, and  
18 negotiate a disposition of such expanded area directly with  
19 the person who acquired the original project without complying  
20 with the disposition procedures established in paragraph (a),  
21 provided the county, municipality, or community redevelopment  
22 agency adopts a resolution making the following findings:

23 1. It is in the public interest to expand such real  
24 property project to an immediately adjacent area.

25 2. The expanded area is less than 35 percent of the  
26 land area of the original project.

27 3. The expanded area is entirely within the boundary  
28 of the community redevelopment area.

29 (4) Any county, municipality, or community  
30 redevelopment agency may temporarily operate and maintain real  
31 property acquired by it in a community redevelopment area for

1 or in connection with a community redevelopment plan pending  
2 the disposition of the property as authorized in this part,  
3 without regard to the provisions of subsection (1), for such  
4 uses and purposes as may be deemed desirable, even though not  
5 in conformity with the community redevelopment plan.

6 (5) If any conflict exists between the provisions of  
7 this section and s. 159.61, the provisions of this section  
8 govern and supersede those of s. 159.61.

9 (6) Notwithstanding any provision of this section, if  
10 a community redevelopment area is established by the governing  
11 body for the redevelopment of property located on a closed  
12 military base within the governing body's boundaries, the  
13 procedures for disposition of real property within that  
14 community redevelopment area shall be prescribed by the  
15 governing body, and compliance with the other provisions of  
16 this section shall not be required prior to the disposal of  
17 real property.
