The Committee on Health and Human Services Appropriations
(Saunders) recommended the following amendment:

Senate Amendment

On page 28, line 30 through page 29, line 5, delete
those lines

and insert: (2) Each rural hospital as defined in s. 395.602
shall receive a minimum of \$100,000 annually, subject to
legislative appropriation, upon application to the Department
of Health, for projects to acquire, repair, improve, or
upgrade systems, facilities, or equipment.

(3) Any remaining funds shall annually be disbursed to
rural hospitals in accordance with this section. The
