The Committee on Governmental Oversight and Productivity
(Lawson) recommended the following amendment:

Senate Amendment (with title amendment)

On page 2, between lines 3 and 4,

insert:

Section 2. The Legislature finds that a proper and legitimate state purpose is served when employees and retirees of the state and its political subdivisions, and the dependents, survivors, and beneficiaries of such employees and retirees, are extended additional protections afforded by governmental retirement systems. These persons must be provided benefits that are fair and adequate and that are managed, administered, and funded in a sound actuarial manner, as required by Section 14, Article X of the State Constitution and part VII of chapter 112, Florida Statutes. Therefore, the Legislature hereby determines and declares that this act fulfills an important state interest.

(Redesignate subsequent sections.)
