11 Funds deposited in the department's Administrative Trust Fund  
 12 for verified trauma centers may be used to maximize the  
 13 receipt of federal funds that may be available for such trauma  
 14 centers. Notwithstanding this section and s. 318.14,

 18 s. 318.14. For purposes of this section and s. 318.14, total  
 19 funds distributed to trauma centers may include revenue from

 28 circumstances as determined by the department, in which case  
 29 the most recent calendar year data available shall continue to  
 30 be used and appropriate adjustments shall be made as soon as  
 31 the more recent data becomes available. ~~Trauma centers may~~

11 divided into trauma service areas. Each of the trauma service  
12 areas should have at least one trauma center; however, some  
13 trauma service areas do not have a trauma center because of  
14 the significant up-front investment of capital required for  
15 hospitals to develop the physical space, equipment, and  
16 qualified personnel necessary to provide quality trauma  
17 services.

18 (2) An acute care general hospital that has submitted  
19 a letter of intent and an application to become a trauma  
20 center pursuant to s. 395.4025 may apply to the department for

23 hospital's trauma service area as established under s.  
24 395.402.

25 (b) There is not a trauma center within a 100-mile  
26 radius of the proposed trauma center.

27 (c) The hospital has received a local funding  
28 contribution as defined under s. 395.4001.

29 (d) The hospital has incurred startup costs in excess  
30 of the amount of grant funding requested.

31 (e) The hospital is pursuing the establishment of a

1 residency program in internal medicine or emergency medicine.

2       (3) A hospital receiving startup grant funding that  
3 does not become a provisional trauma center within 24 months  
4 after submitting an application to become a trauma center must  
5 forfeit any state grant funds received pursuant to this  
6 section.

7       (4) A hospital that receives startup grant funding may  
8 not receive more than \$500,000, must ensure that the startup  
9 grant funding is matched on a dollar-for-dollar basis with a  
10 local funding contribution, and shall receive startup grant  
11 funding only one time.

12       Section 20. This act shall take effect July 1, 2006,  
13 except that sections 1-15 of this act shall take effect  
14 October 1, 2006, and section 395.41, Florida Statutes, as  
15 created by this act, shall take effect subject to an  
16 appropriation for the trauma center startup grant program in  
17 the 2006-2007 General Appropriations Act.
