A bill to be entitled

An act relating to collegiate license plates;
amending s. 320.08056, F.S.; exempting a
collegiate specialty plate from the requirement
to maintain minimum sales of 1,000 or more
until the plate has been offered for a
specified period; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (8) of section 320.08056,
Florida Statutes, is amended to read:

320.08056 Specialty license plates.--

(8)(a) The department must discontinue the issuance of
an approved specialty license plate if the number of valid
specialty plate registrations falls below 1,000 plates for at
least 12 consecutive months. However, this requirement does
not apply to a collegiate license plate issued under s.
320.08058(3) until the plate has been offered 8 years. A
warning letter shall be mailed to the sponsoring organization
following the first month in which the total number of valid
specialty plate registrations is below 1,000 plates.

(b) The department is authorized to discontinue the
issuance of a specialty license plate and distribution of
associated annual use fee proceeds if the organization no
longer exists, if the organization has stopped providing
services that are authorized to be funded from the annual use
fee proceeds, or pursuant to an organizational recipient's
request. Organizations are required to notify the department
immediately to stop all warrants for plate sales if any of the
conditions in this section exist, and must meet the

1 requirements of s. 320.08062 for any period of operation
2 during a fiscal year.

3 Section 2. This act shall take effect July 1, 2006.
