The Committee on Education (Baker) recommended the following
amendment to amendment (642600):

Senate Amendment (with title amendment)

On page 10, between lines 8 and 9,

insert:

(3) The Office of Program Policy Analysis and
Government Accountability shall review all career paths that
provide for the articulation of credit awarded by public and
private institutions as required pursuant to s. 1007.23(3)(c).
The review must include an assessment of methods used to
evaluate a student's ability to successfully complete the
course of study for which the student has applied before
accepting the student into the program; completion rates; job
placement rates; and the method used by institutions to report
data. By December 31, 2007, the Office of Program Policy
Analysis and Government Accountability shall submit a report
to the President of the Senate and the speaker of the House of
Representatives.
