13 Section 2. Section 402.316, Florida Statutes, is
14 amended to read:

15 (Substantial rewording of section. See
16 s. 402.316, F.S., for present text.)

17 402.316 Exemption for child care program or weekday
18 preschool program accredited by a recognized accrediting
19 agency for religious exemption.--

20 (1) A child care program or weekday preschool program
21 qualifies for the exemption provided in this section if the
22 program is an integral part of an established religious
23 congregation or religious school that conducts regularly
24 scheduled classes, courses of study, or educational programs,
25 and is a member or participant of, or accredited by, a state,
26 regional, or national accrediting agency for religious
27 exemption which is recognized by the Department of Children
28 and Family Services. A child care program or weekday preschool
29 program that qualifies as a religious-exempt child care
30 program may choose to be exempt from the requirements for
31 child care licensing established in ss. 402.301-402.319 or may

1 voluntarily be licensed under ss. 402.301-402.319. If a
2 religious-exempt child care program chooses to be exempt from
3 ss. 402.301-402.319, the program must meet the screening
4 requirements in ss. 402.305 and 402.3055 and must display in a
5 conspicuous location in the facility its certificate of
6 compliance issued by a recognized accrediting agency for
7 religious exemption. Failure to post the certificate of
8 compliance in a conspicuous location will result in an
9 administrative action as determined by the standards of the
10 program's accrediting agency for religious exemption.

11 (2) In any county in which there is a local licensing
12 agency approved by the department, the local licensing agency
13 may continue to recognize a county accrediting agency for
14 religious exemption.

15 (3) The department shall verify an accrediting agency
16 as a recognized accrediting agency for religious exemption if
17 the accrediting agency:

18 (a) Adopts minimum standards for operating a child
19 care program or weekday preschool program which meet or exceed
20 the department's minimum standards set forth in s. 402.305
21 (1)-(11), (13), (15), and (16);

22 (b) Publishes its minimum standards and requires a
23 child care program or weekday preschool program that is a
24 member or participant of, or accredited by, the agency to
25 comply with the accrediting agency's minimum standards;

26 (c) Requires a program that is a member or participant
27 of, or accredited by, the agency to meet the minimum
28 requirements of the local governing body with respect to
29 health, sanitation, and safety, including minimum requirements
30 for environmental health, firesafety, zoning, and building
31 codes, and provides that the applicable local governing body

1 has enforcement authority over such members or participants
2 with respect to their compliance with all such minimum
3 requirements;

4 (d) Requires a program that is a member or participant
5 of, or accredited by, the agency to inform parents that the
6 program is exempt from state licensing requirements but meets
7 the standards of the program's accrediting agency, which meet
8 or exceed the department's minimum standards;

9 (e) Conducts an initial onsite review of each program
10 that is a member or participant of, or accredited by, the
11 agency. Each year thereafter, each program must submit to the
12 accrediting agency a notarized statement verifying compliance
13 with applicable state laws and the accrediting agency's
14 published minimum standards; and

15 (f) Requires child care personnel employed by a
16 program that is a member or participant of, or accredited by,
17 the agency to comply with standards that meet or exceed the
18 standards set forth in s. 402.305(2)(d). A recognized
19 accrediting agency for religious exemption must require child
20 care personnel to begin a 40-clock-hour introductory course in
21 child care, approved by the department, by October 1, 2006, or
22 within 90 days after employment and to complete the training
23 within 1 year after the date on which the training begins. In
24 addition, a recognized accrediting agency shall require a
25 program that is a member or participant of, or accredited by,
26 the agency to meet or exceed the requirements for staff
27 credentials set forth in s. 402.305(3) by July 1, 2010. The
28 department and accrediting agencies for religious exemption
29 shall work collaboratively to expedite the approval of
30 equivalency programs developed by the accrediting agencies.

31

1 (4) Each accrediting agency for religious exemption
2 which seeks recognition by the department under this section
3 must submit a copy of its published standards to the
4 department for review. The department shall review these
5 standards within 30 days after submission. The department
6 shall recognize an accrediting agency if the agency is in
7 compliance with subsection (3). The department shall create
8 and maintain a complete and accurate list of all recognized
9 accrediting agencies for religious exemption and specify the
10 agencies' standards.

11 (5) This section does not authorize the department to
12 regulate or control an accrediting agency for religious
13 exemption or to regulate or control the governance, religious
14 curriculum, academic curriculum, testing or assessments,
15 evaluation procedures, academic requirements of the staff,
16 discipline, or hiring practices of any religious-exempt child
17 care program.

18 (6) The department shall distribute to each recognized
19 accrediting agency for religious exemption any revision made
20 to the department's minimum standards within 30 days after the
21 revision is adopted. Within 30 days after the receipt of
22 revised minimum standards from the department, each recognized
23 accrediting agency for religious exemption shall notify the
24 department by written statement documenting that the agency
25 has notified each exempt program of the revised standards. The
26 new standards must be incorporated during the next revision of
27 the accrediting agency's minimum standards. Each recognized
28 accrediting agency for religious exemption shall maintain and
29 must submit to the department an annual report that includes
30 an updated listing of programs that are members or
31 participants of, or accredited by, that agency and must submit

1 a written notice of a new program coming into affiliation
2 thereafter, or terminating affiliation, within 30 days after
3 such action. A religious-exempt child care program that
4 transfers its affiliation from one accrediting agency to
5 another must notify the accrediting agency from which it is
6 transferring 30 days before the transfer.

7 (7) A recognized accrediting agency for religious
8 exemption may not own, operate, or administer a child care
9 program or weekday preschool program under its certificate of
10 approval. A child care program or weekday preschool program
11 exempt from ss. 402.301-402.319 under this section is solely
12 responsible for its day-to-day operations and compliance with
13 applicable state laws and the minimum standards of its
14 accrediting agency for religious exemption.

15 (8) The department shall facilitate an annual meeting
16 with the accrediting agencies for religious exemption, health
17 and safety officials, and other interested child advocates to
18 exchange ideas for ensuring the health and safety of children
19 in child care and preschool programs.

20 Section 3. This act shall take effect July 1, 2006.
