FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

Provide limited government: The bill authorizes the Department of Business and Professional Regulation to issue a transportation authorization sticker for farm labor vehicles carrying migrant and seasonal farm workers. The bill also requires each farm labor vehicle to be equipped with seat belts at each passenger position.

B. EFFECT OF PROPOSED CHANGES:

Section 316.003, F.S., provides definitions relating to state traffic control. The current definition of "migrant farm worker" is amended to "migrant and seasonal farm worker". A migrant and seasonal farm worker is defined as "any person employed in hand labor operations in the planting, cultivation, or harvesting of agricultural crops".

The definition of "migrant farm worker carrier" is amended to "farm labor vehicle". A farm labor vehicle is defined as "any vehicle designed, used, or maintained for the transportation of nine or more migrant or seasonal farm workers, in addition to the driver, to or from a place of employment or employment-related activities". The term does not include any vehicle carrying only members of the immediate family of the owner or driver, any vehicle being operated by a common carrier of passengers, or any carpool as defined in s. 450.28(3), F.S.

Current law requires all carriers of migrant farm workers to systematically inspect and maintain all motor vehicles and their accessories subject to the carriers' control to ensure that such motor vehicles and accessories are in safe and proper operating condition in accordance with the provisions of Chapter 316, F.S. HB 255 requires owners and operators of farm labor vehicles operating on the public highways of the state to ensure that said vehicles are in safe and proper operating condition in accordance with state and federal standards.

In 1986, the Legislature enacted the "Florida Safety Belt Law." Section 316.614, F.S., requires a motor vehicle operator, front seat passengers, and all passengers less than 18 years of age to wear safety belts. The law is enforced against any adult driver or adult passenger who is not restrained by a safety belt. If a person under 18 years of age is unrestrained, the law is enforced against the driver. For persons over the age of 18, the "Florida Safety Belt Law" is enforced as a secondary offense; that is, law enforcement officers cannot stop motorists solely for not using their safety belts. Instead, the officer must first stop the motorist for a suspected violation of Chapter 316, 320, or 322, F.S., before the officer can issue a uniform traffic citation for failure to wear a safety belt. For operators and passengers under the age of 18, the safety belt law is enforced as a primary offense.

The bill provides that all farm labor vehicles must be equipped with a seatbelt assembly at each passenger position by January 1, 2008. Additionally, owners and operators of farm labor vehicles must prominently display standard instructions, to be created by the Department of Highway Safety and Motor Vehicles, requiring passengers to fasten their seat belts. The bill clarifies liability relating to the use of the seat belts provided.

Violations of this section are deemed to be a noncriminal traffic infraction. As provided in s. 318.18(16), F.S., a fine of one hundred dollars is imposed for:

- failure to display stickers authorizing said vehicle to transport migrant or seasonal farm workers, or
- failure to display notification requiring passengers to wear seat belts.

A fine of two hundred dollars is imposed for:

- operating a farm labor vehicle which fails to conform to vehicle safety standards, or
- failure to provide seat belts at each passenger position.

The bill also requires the Department of Highway Safety and Motor Vehicles to provide a copy of each accident report involving a farm labor vehicle, on a quarterly basis, to the Department of Business and Professional Regulation.

The bill requires farm labor contractors to obtain a farm worker transportation authorization sticker from the Department of Business and Professional Regulation before transporting migrant farm and seasonal workers in a farm labor vehicle. The sticker is to be displayed on the vehicle.

And lastly, the bill amends cross-references for the new definition of “migrant or seasonal farm worker”.

C. SECTION DIRECTORY:

Section 1: Amends s. 316.003, F.S.; amending definitions for migrant or seasonal farm worker and farm labor vehicle.

Section 2: Repeals s. 316.620, F.S.

Section 3: Creates s. 316.622, F.S.; requiring farm labor vehicles to conform to federal and state safety standards; requiring farm labor vehicles to be equipped with seat belts on a date certain; requiring vehicle authorization stickers from the Department of Business and Professional Regulation for using a vehicle to transport farm workers; providing penalties; requiring notification; and, requiring Department of Highway Safety and Motor Vehicles to create notification.

Section 4: Amends s. 318.18, F.S.; creating penalties for non-compliance.

Sections 5, 6 and 7: Amends ss. 320.38, 322.031, and 450.181, F.S.; conforming language.

Section 8: Amends s. 450.28, F.S.; amending a definition for carpool.

Section 9: Amends s. 450.33, F.S.; requiring farm labor contractor to display vehicle authorization sticker on vehicles used to transport migrant or seasonal farm workers.

Section 10: Provides an effective date of July 1, 2006.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

This bill will potentially enhance the safety of migrant and seasonal farm workers when being transported in farm labor vehicles.

D. FISCAL COMMENTS:

According to the Department of Highway Safety and Motor Vehicles, the revenue impact from operators who are cited for a violation of s. 316.622, F.S., is indeterminate at this time. The cost for producing the safety belt notification instructions is anticipated to be minimal and will most likely be absorbed within existing resources.

According to the Department of Business and Professional Regulation (DBPR), the cost of producing the sticker required by this legislation will be minimal and can be handled within existing resources. The bill also provides for a vehicle authorization program. DBPR currently operates a farm labor vehicle authorization program for the federal government pursuant to a contract with the U.S. Department of Labor.
