521 amended to read:

522 402.3017 Teacher Education and Compensation Helps (TEACH)  
523 scholarship program.--

524 (1) The Legislature finds that the level of early child  
525 care teacher education and training is a key predictor for  
526 determining program quality. The Legislature also finds that low  
527 wages for child care workers prevent many from obtaining  
528 increased training and education and contribute to high turnover  
529 rates. The Legislature therefore intends to help fund a program  
530 which links teacher training and education to compensation and  
531 commitment to the field of early childhood education.
