Senator Fasano moved the following amendment:

Senate Amendment (with title amendment)

On page 5, lines 10-19, delete those lines

and insert:

Section 3. Section 627.7072, Florida Statutes, is amended to read:

627.7072 Testing standards for sinkholes.--

(1) The professional engineer and professional geologist shall perform such tests as sufficient, in their professional opinion, to determine the presence or absence of sinkhole loss or other cause of damage within reasonable professional probability and for the professional engineer to make recommendations regarding necessary building stabilization and foundation repair.

~~(2) Testing by a professional geologist shall be conducted in compliance with the Florida Geological Survey Special Publication No. 57 (2005).~~
