The Committee on Commerce and Consumer Services (Klein)  
recommended the following amendment:

**Senate Amendment**

On page 5, lines 3-7, delete those lines

and insert:

(5) Each corporation that owns or operates more than five motor fuel retail outlets within a single county shall maintain at lease one portable generator that is capable of providing an alternate generated power source as required under s. 526.143(2) for every five retail outlets. Each such generator must be kept in the state and available for use in the county where the facilities are located within 24 hours after a disaster. If a corporation owns a number of motor fuel retail outlets that exceeds five or a multiple of five, plus three, the corporation must own an additional generator for the additional facilities.
