

HR 571

2006

1 House Resolution

2 A resolution encouraging responsible vendors providing
3 alcoholic beverages to the public to use devices to
4 prevent underage drinking and to educate and train their
5 managerial staff and employees about such devices.

6
7 WHEREAS, it is in the best interest of Florida's citizens
8 that efforts be undertaken to promote the elimination of the
9 sale of alcoholic beverages to, and consumption of alcoholic
10 beverages by, underaged persons, and

11 WHEREAS, the state would like to encourage alcoholic
12 beverage vendors to be prudent in their serving practices, and

13 WHEREAS, there is identification-verification technology
14 and devices such as age-verification machines that could aid
15 vendors in detecting such abuses of false identification, and

16 WHEREAS, under current state law, vendors providing
17 alcoholic beverages to the public are not required to use such
18 devices or make their managerial staff and employees aware of
19 such devices, NOW, THEREFORE,

20
21 Be It Resolved by the House of Representatives of the State of
22 Florida:

23
24 That responsible vendors providing alcoholic beverages to
25 the public are encouraged to provide information and educate
26 their managerial staff and employees about identification-
27 verification technology and devices such as age-verification
28 machines.

HR571

2006

29 BE IT FURTHER RESOLVED that such vendors are encouraged to
30 purchase and utilize identification-verification technology and
31 age-verification machines in order to prevent the sale of
32 alcoholic beverages to, and consumption of alcoholic beverages
33 by, underaged persons.
