

Amendment No. (for drafter's use only)

CHAMBER ACTION

Senate

House

1 Representative Poppell offered the following:

2
3 **Amendment (with title amendment)**

4 Remove lines 121-127 and insert:

5 those pollutants. Research projects funded by the department, a
6 water management district, or the Department of Agriculture and
7 Consumer Services to develop or demonstrate interim measures or
8 best management practices shall be granted a presumption of
9 compliance with state water quality standards and a release from
10 the provisions of s. 376.307(5). The presumption of compliance
11 and release shall be limited to the research site and only those
12 pollutants addressed by the interim measures or best management
13 practices. Eligibility for the presumption of compliance and
14 release shall be limited to research projects on sites where the
15 owner or operator of the research site and the department, a
16 water management district, or the Department of Agriculture and
17 Consumer Services have entered into a contract or other
