2
3 **Amendment to Amendment (841619) (with title amendment)**

4 Between lines 956 and 957, insert:

5 Section 13. In an effort to eliminate duplication and
6 ensure efficient streamlining of the permit process of chapters
7 373 and 403, Florida Statutes, and eliminate the overlapping of
8 state, federal, and local regulations, the Department of
9 Environmental Protection shall create a task force of interested
10 parties and present a report to the Speaker of the House of
11 Representatives and the President of the Senate by February 1,
12 2007, with a list of permitting requirements authorized pursuant
13 to chapters 373 and 403, Florida Statutes; the federal, state,
14 regional, and local agencies that currently are required to
15 issue those permits; a corresponding list of permits and the
16 timelines; and recommendations as to which entity or entities
17 should be solely responsible for each permit.
