Senate

House

---

1 Representatives Ambler and Galvano offered the following:

2  
3 **Amendment to Amendment (841619) (with title amendment)**

4 Between lines 956 and 957, insert:

5 Section 13. In an effort to eliminate duplication and  
6 ensure efficient streamlining of the permit process of chapters  
7 373 and 403, Florida Statutes, and eliminate the overlapping of  
8 state, federal, and local regulations, the Department of  
9 Environmental Protection shall create a task force of interested  
10 parties and present a report to the Speaker of the House of  
11 Representatives and the President of the Senate by February 1,  
12 2007, with a list of permitting requirements authorized pursuant  
13 to chapters 373 and 403, Florida Statutes; the federal, state,  
14 regional, and local agencies that currently are required to  
15 issue those permits; a corresponding list of permits and the  
16 timelines; and recommendations as to which entity should be  
17 solely responsible for each permit.
