18 be exempt from rules adopted pursuant to subsection (9) and the  
19 statewide methodology ratified pursuant to s. 373.4211. As of  
20 January 1, 1994, such activities may be issued permits  
21 authorizing construction for the life of the mine. Lands added  
22 to a conceptual reclamation plan subject to this paragraph  
23 through a modification submitted after July 1, 1996, that are  
24 contiguous to the conceptual reclamation plan area and not  
25 within the jurisdiction of a regional water supply authority  
26 shall be exempt from rules adopted under subsection (9),  
27 provided that the total acreage of the conceptual reclamation  
28 plan may not be increased through such modification and the  
29 cumulative acreage added may not exceed 3 percent of the  
30 conceptual reclamation plan area. Lands that have been mined or  
31 disturbed by mining activities, lands subject to a conservation  
32 easement under which the grantee is a state or federal  
33 regulatory agency, and lands otherwise preserved as a part of a  
34 permitting review may not be removed from the conceptual  
35 reclamation plan area under this subsection.
