18 agreements, in effect on January 1, 1993. Such activities shall
19 be exempt from rules adopted pursuant to subsection (9) and the
20 statewide methodology ratified pursuant to s. 373.4211. As of
21 January 1, 1994, such activities may be issued permits
22 authorizing construction for the life of the mine. Lands added
23 to a conceptual reclamation plan subject to this paragraph
24 through a modification submitted after July 1, 1996, that are
25 contiguous to the conceptual reclamation plan area shall be
26 exempt from rules adopted under subsection (9), provided that
27 the total acreage of the conceptual reclamation plan may not be
28 increased through such modification and the cumulative acreage
29 added may not exceed 3 percent of the conceptual reclamation
30 plan area. Lands that have been mined or disturbed by mining
31 activities, lands subject to a conservation easement under which
32 the grantee is a state or federal regulatory agency, and lands
33 otherwise preserved as a part of a permitting review may not be
34 removed from the conceptual reclamation plan area under this
35 subsection.
