1 shall, upon reaching the tentative release date or provisional
2 release date, whichever is earlier, as established by the
3 Department of Corrections, be released under supervision
4 subject to specified terms and conditions, including payment
5 of the cost of supervision pursuant to s. 948.09. Such
6 supervision shall be applicable to all sentences within the
7 overall term of sentences if an inmate's overall term of
8 sentences includes one or more sentences that are eligible for
9 conditional release supervision as provided herein. Effective
10 July 1, 1994, and applicable for offenses committed on or
11 after that date, the commission may require, as a condition of
12 conditional release, that the releasee make payment of the
13 debt due and owing to a county or municipal detention facility
14 under s. 951.032 for medical care, treatment, hospitalization,
15 or transportation received by the releasee while in that
16 detention facility. The commission, in determining whether to
17 order such repayment and the amount of such repayment, shall
18 consider the amount of the debt, whether there was any fault
19 of the institution for the medical expenses incurred, the
20 financial resources of the releasee, the present and potential
21 future financial needs and earning ability of the releasee,
22 and dependents, and other appropriate factors. If any inmate
23 placed on conditional release supervision is also subject to
24 probation or community control, resulting from a probationary
25 or community control split sentence within the overall term of
26 sentences, the Department of Corrections shall supervise such
27 person according to the conditions imposed by the court and
28 the commission shall defer to such supervision. If the court
29 revokes probation or community control and resentsences the
30 offender to a term of incarceration, such revocation also
31 constitutes a sufficient basis for the revocation of the

1 conditional release supervision on any nonprobationary or
2 noncommunity control sentence without further hearing by the
3 commission. If any such supervision on any nonprobationary or
4 noncommunity control sentence is revoked, such revocation may
5 result in a forfeiture of all gain-time, and the commission
6 may revoke the resulting deferred conditional release
7 supervision or take other action it considers appropriate. If
8 the term of conditional release supervision exceeds that of
9 the probation or community control, then, upon expiration of
10 the probation or community control, authority for the
11 supervision shall revert to the commission and the supervision
12 shall be subject to the conditions imposed by the commission.
13 A panel of no fewer than two commissioners shall establish the
14 terms and conditions of any such release. If the offense was a
15 controlled substance violation, the conditions shall include a
16 requirement that the offender submit to random substance abuse
17 testing intermittently throughout the term of conditional
18 release supervision, upon the direction of the correctional
19 probation officer as defined in s. 943.10(3). The commission
20 shall also determine whether the terms and conditions of such
21 release have been violated and whether such violation warrants
22 revocation of the conditional release.

23 Section 8. The Department of Law Enforcement shall
24 determine the feasibility of enhancing the sexual offender and
25 predator website to include a mapping capability for
26 residents, local law enforcement agencies, and correctional
27 officials to use. This mapping capability shall overlay the
28 registered sexual offender and sexual predator's known
29 location and plot its proximity to prohibited sites, such as
30 day care centers and other places where children regularly
31 congregate. The department shall assess the extent to which

1 public safety and public notification could be improved with
 2 such a feature on the state website. The department shall also
 3 project the costs of the enhancement. The department shall
 4 report its findings and cost estimations to the Governor, the
 5 President of the Senate, and the Speaker of the House of
 6 Representatives by December 1, 2006.

7 Section 9. This act shall take effect July 1, 2006.
