4 Between lines 4305 and 4306, insert:

5  
6 Section 29. The Office of Insurance Regulation shall  
7 conduct a study of the development of loss relativities for  
8 wind-resistive features of residential structures. The study  
9 shall estimate the effectiveness of wind-resistive building  
10 features in reducing hurricane damage to residential buildings,  
11 including loss relativities to be used in calculating premium  
12 incentives for consumers who incorporate such features into  
13 their homes. The office shall prepare and submit a study report  
14 to the Governor, the President of the Senate, and the Speaker of  
15 the House of Representatives by January 1, 2007.
