The Committee on General Government Appropriations (Baker)
recommended the following amendment:

Senate Amendment

On page 3, line 23, through page 4, line 3, delete
those lines

and insert:

(f) Approved continuing education training shall be
conducted only by approved providers on-line or live at
various locations within or outside the state at times
convenient for licensees, including weekends. Before entering
the room where the live training occurs, each licensee shall
present his or her personal license to the approved provider,
who shall physically verify the personal identity and license
number of the licensee. The approved provider shall issue a
certificate of completion to each licensee who completes the
approved courses. Approved providers of on-line training shall
use a security program that verifies the license number and
identity of the licensees in a manner approved by rule of the
department. On-line training shall make the 6-hour curriculum

1 and a 1-hour exam available in hourly increments. On-line
2 providers shall issue a certificate of completion upon
3 favorable completion of the examination. In accordance with
4 the department's authority to enforce standards established in
5 this section, live and on-line programs must be accessible by
6 a representative of the department without notice or
7 special-access requirements. The certificate of completion for
8 live or on-line training shall be on a form established by
9 rule of the department and must be submitted with the
10 application for renewal of licensure.
