The Committee on Domestic Security (Diaz de la Portilla)  
recommended the following **amendment to amendment** (864392):

**Senate Amendment (with title amendment)**

On page 4, between lines 4 and 5,

insert:

Section 2. The Legislature finds that infrastructure  
enhancements and improvements to the radio system used by  
state law enforcement agencies will provide increased  
protection to the residents of this state and should be  
considered for additional funding. In order to ensure  
continued, improved communication and protection by state and  
local law enforcement personnel, the recommendations of the  
Joint Task Force on State Agency Law Enforcement  
Communications, dated February 2005, or any subsequent  
recommendations of the joint task force, should be implemented  
contingent upon the appropriation of funds.

(Redesignate subsequent sections.)
