2006

1 House Resolution

2 A resolution designating March 15, 2006, as "Emergency
3 Medicine Day" in Florida.

4
5 WHEREAS, Florida's emergency physicians and emergency
6 medical staff provide necessary, life-saving care to the state's
7 residents and visitors at any time of the day or night, often
8 under the most stressful conditions and in extremely difficult
9 situations, and

10 WHEREAS, in addition, emergency physicians and supporting
11 emergency medical personnel have been instrumental in educating
12 the general public, government officials, and other
13 professionals in the areas of safety, injury prevention, first-
14 aid procedures, cardiopulmonary resuscitation, organ donation,
15 the ravages of substance abuse, and other health-related
16 matters, and

17 WHEREAS, rapid strides in emergency medical care have been
18 made in recent years, and Florida emergency physicians and
19 personnel themselves receive extensive training and continuing
20 education in order to provide the public with the highest-
21 quality emergency medical care, and

22 WHEREAS, emergency physicians and personnel contribute to
23 the planning and provision of emergency preparedness and
24 disaster response--in particular, preparedness for and response
25 to incidents dealing with weapons of mass destruction, and

26 WHEREAS, the dedicated men and women in Florida who devote
27 themselves to rendering prompt, skilled emergency medical care
