

HR 9031

2006

1 House Resolution

2 A resolution designating Wednesday, March 22, 2006, as
3 "Drinking Water Day" in Florida.

4
5 WHEREAS, safe, potable water is a basic, essential need of
6 every person, and

7 WHEREAS, the good health, comfort, and standard of living
8 of Florida's residents depend largely upon an abundant supply of
9 safe drinking water, and

10 WHEREAS, the provision of sufficient amounts of potable
11 drinking water is a primary concern and a most important
12 responsibility of Florida's municipalities and counties, and

13 WHEREAS, a safe and ample supply of drinking water is
14 critical to the growth and sustainability of Florida's
15 municipalities and counties, NOW, THEREFORE,

16
17 Be It Resolved by the House of Representatives of the State of
18 Florida:

19
20 That Wednesday, March 22, 2006, is designated as "Drinking
21 Water Day" in Florida.

22 BE IT FURTHER RESOLVED that each citizen is urged to become
23 aware of the vital need for safe drinking water supplies, to
24 take an active part in overseeing the state's water sources and
25 protecting them from pollution, to practice sound water
26 conservation, and to be actively involved in local water issues.
