3 **Substitute Amendment for Amendment (524091) (with title**  
4 **amendments)**

5 Remove line(s) 20-35 and insert:

6 (12) A manufactured building that otherwise complies with  
7 this part and is intended to be used for 2 years or less shall  
8 be permitted to use a foundation system designed and installed  
9 in accordance with the standards adopted pursuant to s.  
10 320.8325(1). Use of the building shall be extended for an  
11 additional 2 years upon application to the authority having  
12 jurisdiction and an inspection of the foundation system to  
13 determine the system's integrity and ability to perform. An  
14 application for an extension may not be denied without a  
15 complete inspection and verified findings of fault with the  
16 foundation system. This subsection does not apply to a  
17 residential manufactured building or factory-built school.
