

ENROLLED
 HB 959, Engrossed 1

2006 Legislature

1 A bill to be entitled
 2 An act relating to a motor vehicle safety pilot program;
 3 requiring certain limited access facilities that are
 4 adjacent to a canal or other water body to have a system
 5 of guardrails, retention cables, or other barriers between
 6 the highway and the canal or water body; providing for the
 7 Department of Transportation to establish certain
 8 standards governing the installation and maintenance of
 9 the barriers; requiring that barriers be installed for
 10 existing highways by a specified date; providing for
 11 future review and repeal; providing an effective date.

12
 13 Be It Enacted by the Legislature of the State of Florida:

14
 15 Section 1. Barrier required between a highway and a canal
 16 or a water body.--

17 (1) Each limited access facility in Miami-Dade County that
 18 is adjacent to a canal or other water body must have a system of
 19 guardrails, retention cables, or other barriers between the
 20 highway and the canal or water body which are installed and
 21 maintained in conformance with standards established by the
 22 Florida Department of Transportation. The standards should
 23 consider loss of life by safely preventing out-of-control motor
 24 vehicles from entering the canal or water body, as well as the
 25 width or depth of the canal or water body or its proximity to
 26 the traveled way of the highway.
