Amendment No.

17 | the Secretary of Health to make grants-in-aid from the  
18 | Biomedical Research Trust Fund for stem cell research subject to  
19 | a specific appropriation; providing requirements relating to  
20 | applications for and awards of such grants-in-aid; providing  
21 | specifications for moneys to be made available from the trust  
22 | fund for stem cell research grants-in-aid; providing  
23 | restrictions and requirements for uses of funds from such  
24 | grants-in-aid; amending s. 20.435, F.S.; revising provisions  
25 | relating to funding sources of and use of funds in the  
26 | Biomedical Research Trust Fund; amending s. 381.86, F.S.;  
27 | providing an exception to the Institutional Review Board's  
28 | exclusive authority to review certain biomedical and behavioral  
29 | research on human subjects to allow for the Stem Cell Research  
30 | and Ethics Advisory Council's duties and responsibilities with  
31 | respect to such research; requiring the Department of Health to  
32 | prepare and distribute, subject to a specific appropriation, a  
33 | publication regarding the process, options, medical uses, risks,  
34 | and benefits of umbilical cord blood collection; requiring the  
35 | state to maintain in perpetuity certain embryos created outside  
36 | the human body; providing an
