

Amendment No.

CHAMBER ACTION

Senate

House

---

1 Representative(s) Brandenburg offered the following:

2  
3 **Substitute Amendment for Amendment (178091)**

4 Remove line(s) 184-204 and insert:

5 (a) Funds provided under this section may be used for  
6 research involving stem cells, including, but not limited to:

7 1. Human adult stem cells. Funding for research may be  
8 given for human adult stem cells derived from postmortem  
9 tissues, other than from medically induced abortions. Funds may  
10 be used for studies of human adult stem cells obtained from  
11 either normal or transformed tissues.

12 2. Amniotic stem cells extracted from human amniotic fluid  
13 that are otherwise discarded after birth.

14 3. Cord blood stem cells extracted from a human umbilical  
15 cord that are otherwise discarded after birth.

Amendment No.

16        4. Placental stem cells extracted from a human placenta  
17 that are otherwise discarded after birth.

18        (b) Adult, amniotic, cord blood, placental, and all other  
19 stem cell material may only be donated for research purposes  
20 with the informed consent of the donor.

21        (c) Funds provided under this section may only be used for  
22 research that is conducted in facilities located in this state.
