1 STATEMENT OF SUBSTANTIAL CHANGES CONTAINED IN COMMITTEE SUBSTITUTE FOR 2 Senate Bill 1094 3 This bill provides statutory authority necessary to implement 4 and execute the General Appropriations Act for the 2007-2008 5 fiscal year. Such statutory changes are temporary and either expire on July 1, 2008, or revert to the original language at 6 that time. 7 This bill amends the following sections of the Florida Statutes: s.216.262, 216.292, and 932.7055, Florida Statutes. 8 The provisions of this bill expire on July 1, 2008 and provide 9 legislative intent. 10 Provides legislative intent for specific appropriations, authorizing the Departments of Corrections and Juvenile Justice to defray local costs incurred at department-operated 11 facilities. 12 Amends current statute that directs appropriations to allow 13 the Governor's office to request additional positions and other resources for the Department of Corrections if the 14 Criminal Justice Estimating Conference projects a certain increase in the inmate population and the additional positions 15 are approved by the Legislative Budget Commission. 16 Allows for the transfer of appropriations from general revenue between categories in the criminal conflict and civil regional counsel budget entity. Also, authorizes the transfer of appropriations between each of the criminal conflict and civil 17 18 regional counsel budget entities. In addition, authorizes budget transfers between criminal conflict and civil regional 19 counsel budget entities and child dependency and civil conflict cases within the Justice Administrative Commission. 20 Authorizes the Department of Legal Affairs to use specific appropriations on the same programs and in the same method as 21 was done in the 2006-2007 fiscal year. 2.2 Allows for the 2007-2008 fiscal year only, a municipality to 23 expend funds in a special law enforcement trust fund to reimburse the general fund for moneys advanced from the 2.4 general fund to the special law enforcement trust fund prior to October 1, 2001. 25 Declares legislative determination that debt for the 2007-2008 fiscal year is in the best interest of the state. 26 Finally, it includes technical changes that prevent any section from taking effect if appropriation or proviso are 27 2.8 vetoed, designate permanent law changes as taking precedence, and provide a severability clause and a contingent effective 29 date. 30 31
