The Committee on Health and Human Services Appropriations  
(Peaden) recommended the following **substitute for amendment**  
(653062):

**Senate Amendment**

On page 3, lines 7-27, delete those lines

and insert:

(b) Tier two shall be limited to clients whose service  
needs are paid under the home and community-based waiver.  
However, residential rehabilitation services under tier two  
shall be limited to the number of hours medically necessary,  
but may not exceed 8 hours per day. Personal care assistance  
services shall be limited to the number of hours medically  
necessary, but may not exceed 150 hours per calendar month.  
Total annual expenditures under this waiver shall be capped at  
\$30,000 per client. Clients served through tier two include,  
but need not be limited to, clients requiring residential  
placements. All clients receiving services through the home  
and community-based waiver on March 1, 2007, shall be moved to  
tier two, with the exception of clients who:

Bill No. SB 1124

Barcode 132388

1           1. Have service needs that exceed \$30,000 for  
2 intensive medical or adoptive needs and that are essential for  
3 avoiding institutionalization; or

4           2. Possess behavioral concerns that are exceptional in  
5 intensity, duration, or frequency and present a substantial  
6 risk of harm to themselves or others.

7           (c) Tier three, the family and supported living  
8 waiver, shall include, but need not be limited to, clients in  
9 independent or supported living situations or clients who live  
10 in their family home. Total annual expenditures under this  
11 waiver shall be capped at \$14,792 per client.

12  
13 The agency, in consultation with the Agency for Health Care  
14 Administration, shall seek federal approval as needed to carry  
15 out the provisions of this subsection, including placing  
16 limitations or restrictions on the home and community-based  
17 waiver. The agency may adopt rules providing for eligibility  
18 criteria, rate modifications, and procedures for administering  
19 this subsection.
