The Committee on Health and Human Services Appropriations
(Peaden) recommended the following amendment:

Senate Amendment

On page 3, lines 12 through 16, delete those lines

and insert: medically necessary, but may not exceed 8 hours per day. Personal care assistance services shall be limited to the number of hours medically necessary, but may not exceed 150 hours per calendar month. Total annual expenditures under this waiver shall be capped at \$30,000 per client. Clients served through tier two include, but need not be limited to, clients requiring residential placements. All clients receiving services through the home and community-based waiver on March 1, 2007, shall be moved to tier two, with the exception of clients who have service needs that exceed \$30,000 and that are essential for avoiding institutionalization or clients who possess behavioral concerns that are exceptional in intensity, duration, or frequency and present a substantial risk of harm to themselves or others.
