The Committee on Governmental Operations (Posey) recommended  
the following **amendment to amendment** (041916):

**Senate Amendment**

On page 12, line 23, through page 13, line 21, delete  
those lines

and insert: agency in an appropriation category, ~~other than~~  
~~the expense appropriation category~~ as defined in chapter 216  
~~which, that~~ the Chief Financial Officer has determined is  
appropriate or that the Legislature has designated for payment  
of the obligation incurred under this section.

Section 4. Subsections (10) and (11) of section  
287.064, Florida Statutes, are amended to read:

287.064 Consolidated financing of deferred-payment  
purchases.--

(10) Costs incurred pursuant to a guaranteed ~~energy~~  
performance savings contract, including the cost of efficiency  
or ~~energy~~ conservation measures, each as defined in s.  
489.145, may be financed pursuant to a master equipment  
financing agreement; however, the costs of training,

1 operation, and maintenance may not be financed. The period of  
 2 time for repayment of the funds drawn pursuant to the master  
 3 equipment financing agreement under this subsection may exceed  
 4 5 years but may not exceed 20 ~~10~~ years for energy-related  
 5 efficiency or conservation measures, excluding the costs of  
 6 training, operation, and maintenance. The guaranteed  
 7 performance savings contractor for the energy-related  
 8 efficiency or conservation measures shall provide for the  
 9 replacement of the extension of the useful life of the  
 10 equipment during the term of the contract.

11 (11) For purposes of consolidated financing of  
 12 deferred payment commodity contracts under this section by a  
 13 state agency, the annualized amount of any such contract must  
 14 be supported from available recurring funds appropriated to  
 15 the agency in an appropriation category, ~~other than the~~  
 16 ~~expense appropriation category~~ as defined in chapter 216  
 17 which, that
