12 Section 10. Consumer Fireworks Task Force.--

13 (1) The Legislature finds that:

17 (b) There is a need for better training and education  
18 concerning the safe use of consumer fireworks;

19 (c) There should be a mechanism to help local  
20 governments fund the clean up following the use of consumer  
21 fireworks on public property;

22 (d) Local government regulation of the agricultural  
23 uses authorized by s. 791.07, Florida Statutes, may be  
24 inconsistent with legitimate agricultural purposes;

25 (e) There is a need for consumer education relating to  
26 safety standards in the use of consumer fireworks;

27 (f) There is a need for standards concerning tents and

6 and location of the use of consumer fireworks, the property  
7 zoning classifications for sale facilities for consumer  
8 fireworks, the funding options for fire official training and  
9 education, and funding options for cleanup of expended  
10 consumer fireworks products.

12 appointed as follows: two members appointed by the President  
13 of the Senate, one of whom must be from a list of nominees  
14 recommended by the Florida League of Cities and one of whom

16 appointed by the Speaker of the House of Representatives, one  
17 of whom must be from a list of nominees recommended by the  
18 Florida Association of Counties and one of whom must be a

20 Commissioner of Agriculture, one of whom must be a  
21 representative of the Division of Forestry of the Florida

6 recommendations and findings of the task force shall be  
7 submitted to the President of the Senate and the Speaker of  
8 the House of Representatives by January 15, 2008, and the task  
9 force shall be abolished upon the transmittal of the report.

10       (5) Pending completion of the Legislature's review of  
11 the task force's report and to ensure that fire prevention and  
12 safety standards are uniform, a new permanent retail sales  
13 facility engaged in sales otherwise permitted under s. 791.07,  
14 Florida Statutes, may not be opened in this state after March

26 March 8, 2007, which directly prohibits or directly interferes  
27 with the safety standards established by state law or the  
28 right to purchase, sell, use, or possess consumer fireworks in  
29 this state. However, if the Legislature enacts legislation to  
30 provide for the comprehensive regulation of fire prevention  
31 and safety standards for the use of consumer fireworks to

1 replace this subsection on or before July 1, 2008, this  
2 subsection does not prohibit opening any such facility,  
3 permitting any such temporary facility, or adopting any such  
4 ordinance or other law after such legislation is enacted.
