B. EFFECT OF PROPOSED CHANGES:

Present Situation

Pursuant to s. 561.422, F.S., nonprofit civic organizations may apply for up to three temporary alcoholic beverage permits. The alcoholic beverages may only be consumed on the premises. The temporary permits may be issued for a period not to exceed 3 days, subject to any other state, municipal, or county ordinance regulating the time for selling alcoholic beverages.

Upon the filing of an application, the nonprofit civic organization must present a local building or zoning permit, and pay a fee of \$25 per permit. All net profits from sales of alcoholic beverages collected during the permit period must be retained by the nonprofit civic organization.

The director of the division is authorized to issue the temporary permits.

Chapters 561-565 and 568, Florida Statutes, comprise Florida's Beverage Law. The Division of Alcoholic Beverages and Tobacco of the Department of Business and Professional Regulation is the state agency given responsibility for enforcement of the Beverage Law.¹

Currently, the Breakfast Optimist Club of St. Petersburg hosts a monthly street party, recently named the Get Downtown First Friday Music Series, which attracts up to 5,000 people to the downtown area of St. Petersburg.² The Breakfast Optimist Club, a local nonprofit civic organization, donates the proceeds of the monthly event to local children's charities.

Effect of Proposed Changes

To obtain the temporary permit, nonprofit civic organizations must be in compliance with all of the requirements of s. 561.422, F.S.

The temporary permits are in addition to the three temporary permits authorized per year for a nonprofit civic organization pursuant to s. 561.422, F.S.

For purposes of this law, the downtown area of St. Petersburg is defined as the area between 5th Avenues North and South and between 16th Street and the waterfront.
