The Committee on Environmental Preservation and Conservation
(Saunders) recommended the following **amendment to amendment**
(711948):

Senate Amendment

On page 3, lines 5 through 11, delete those lines

and insert:

1. Provide for the protection of an existing major
structure or public infrastructure, and, notwithstanding any
definition in department rule to the contrary, that major
structure or public infrastructure is vulnerable to damage
from frequent coastal storms, or is upland of a beach-dune
system which has experienced significant beach erosion from
such storm events.
