Amendment No.

17 conjunction with the physician, must contemporaneously review
18 and explain the live ultrasound images to the woman prior to the
19 woman giving informed consent to having an abortion procedure
20 performed.

21 (III) The woman has a right to decline to view the
22 ultrasound images after she is informed of her right to view
23 them. If the woman declines to view the ultrasound images, the
24 woman shall complete a form acknowledging that she was offered
25 an opportunity to view her ultrasound but that she rejected that
26 opportunity. The form must also indicate that the woman's
27 decision not to view the ultrasound was not based on any undue
28 influence from any third party to discourage her from viewing
29 the images and that she declined to view the images of her own
30 free will.

31 c. The medical risks to the woman and fetus of carrying
32 the pregnancy to term.

33 2. Printed materials prepared and provided by the
34 department have been provided to the pregnant woman, if she
35 chooses to view these materials, including:

36 a. A description of the fetus, including a description of
37 the various stages of development.

38 b. A list of entities ~~agencies~~ that offer alternatives to
39 terminating the pregnancy.
