A bill to be entitled

An act relating to government financial reporting; requiring governmental entities, county and municipal offices, and taxing authorities to annually prepare a report on revenues and expenditures; providing requirements; requiring notification; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. At the end of the fiscal year of each governmental entity, county or municipal office, and taxing authority in this state, the entity, office, and authority shall prepare a detailed report, on a line-item basis, of each source and amount of revenues received and each category and amount of expenditures made in that fiscal year. Each such entity, office, and authority shall make the report available to residents of the jurisdiction of the entity, office, or authority and shall notify such residents, by mail, newspaper advertisement, or Internet website disclosure, of the availability of such report. The report shall also be provided in electronic form, at no charge, to any person requesting an electronic version.

Section 2. This act shall take effect upon becoming a law.
