 226 skipping transfer credit is not allowable pursuant to the  
 227 Internal Revenue Code of 1986, as amended:

235 Section 5. Effective January 1, 2008, subsection (2) of  
 236 section 202.16, Florida Statutes, is amended to read:

237 202.16 Payment.--The taxes imposed or administered under  
 238 this chapter and chapter 203 shall be collected from all dealers  
 239 of taxable communications services on the sale at retail in this  
 240 state of communications services taxable under this chapter and  
 241 chapter 203. The full amount of the taxes on a credit sale,  
 242 installment sale, or sale made on any kind of deferred payment  
 243 plan is due at the moment of the transaction in the same manner  
 244 as a cash sale.

245 (2) (a) A sale of communications services that are used as  
 246 a component part of or integrated into a communications service  
 247 or prepaid calling arrangement for resale, including, but not  
 248 limited to, carrier-access charges, interconnection charges paid  
 249 by providers of mobile communication services or other  
 250 communication services, charges paid by cable service providers  
 251 for the transmission of video or other programming by another  
 252 dealer of communications services, charges for the sale of

253 unbundled network elements, and any other intercompany charges  
254 for the use of facilities for providing communications services  
255 for resale, must be made in compliance with the rules of the  
256 department. Any person who makes a sale for resale which is not  
257 in compliance with these rules is liable for any tax, penalty,  
258 and interest due for failing to comply, to be calculated  
259 pursuant to s. 202.28(2)(a).

260 (b)1. Any dealer who makes a sale for resale shall  
261 document the exempt nature of the transaction, as established by  
262 rules adopted by the department, by retaining a copy of the  
263 purchaser's initial or annual resale certificate issued pursuant  
264 to s. 202.17(6). In lieu of maintaining a copy of the  
265 certificate, a dealer may document, prior to the time of sale,  
266 an authorization number provided telephonically or  
267 electronically by the department. The dealer may rely on an  
268 initial or annual resale certificate issued pursuant to s.  
269 202.17(6), valid at the time of receipt from the purchaser,  
270 without seeking additional annual resale certificates from such  
271 purchaser, if the dealer makes recurring sales to the purchaser  
272 in the normal course of business on a continual basis. For  
273 purposes of this paragraph, the term "recurring sales to a  
274 purchaser in the normal course of business" means sales in which  
275 the dealer extends credit to the purchaser and records the debt  
276 as an account receivable or sells to a purchaser who has an  
277 established cash account similar to an open credit account. For  
278 purposes of this paragraph, purchases are made from a selling  
279 dealer on a continual basis if the selling dealer makes, in the  
280 normal course of business, sales to the purchaser at least once

281 in every 12-month period.

282 2. A dealer may, through the informal conference  
283 procedures provided for in s. 213.21 and the rules of the  
284 department, provide the department with evidence of the exempt  
285 status of a sale. Exemption certificates executed by entities  
286 that were exempt at the time of sale, resale certificates  
287 provided by purchasers who were active dealers at the time of  
288 sale, and verification by the department of a purchaser's active  
289 dealer status at the time of sale in lieu of a resale  
290 certificate shall be accepted by the department when submitted  
291 during the protest period but may not be accepted in any  
292 proceeding under chapter 120 or any circuit court action  
293 instituted under chapter 72.

294 Section 6. Effective January 1, 2008, the Department of  
295 Revenue shall establish a toll-free telephone number for the  
296 verification of valid dealer registration numbers and resale  
297 certificates issued under chapter 202, Florida Statutes. The  
298 system must be adequate to guarantee a low busy rate, respond to  
299 keypad inquiries, and provide data that is updated daily.

300 Section 7. Effective January 1, 2008, the Department of  
301 Revenue shall establish a system for receiving information from  
302 dealers regarding certificate numbers of purchasers who are  
303 seeking to make purchases for resale under chapter 202, Florida  
304 Statutes. The department shall provide such dealers, free of  
305 charge, with verification of any numbers that are canceled or  
306 invalid.

307 Section 8. Paragraph (c) of subsection (3) of section  
308 202.18, Florida Statutes, is amended to read:

309           202.18 Allocation and disposition of tax proceeds.--The  
 310 proceeds of the communications services taxes remitted under  
 311 this chapter shall be treated as follows:

312           (3)

313           (c)1. Except as otherwise provided in this paragraph,  
 314 proceeds of the taxes levied pursuant to s. 202.19, less amounts  
 315 deducted for costs of administration in accordance with  
 316 paragraph (b), shall be distributed monthly to the appropriate  
 317 jurisdictions. The proceeds of taxes imposed pursuant to s.  
 318 202.19(5) shall be distributed in the same manner as  
 319 discretionary surtaxes are distributed, in accordance with ss.  
 320 212.054 and 212.055.

321           2. The department shall make any adjustments to the  
 322 distributions pursuant to this section ~~paragraph~~ which are  
 323 necessary to reflect the proper amounts due to individual  
 324 jurisdictions or trust funds. In the event that the department  
 325 adjusts amounts due to reflect a correction in the situsing of a  
 326 customer, such adjustment shall be limited to the amount of tax  
 327 actually collected from such customer by the dealer of  
 328 communication services.

329           3.a. Notwithstanding the time period specified in s.  
 330 202.22(5), adjustments in distributions that are necessary to  
 331 correct misallocations between jurisdictions shall be governed  
 332 by this subparagraph. If the department determines that  
 333 misallocations between jurisdictions occurred, the department  
 334 shall provide written notice of such determination to each  
 335 affected jurisdiction. The notice shall include the amount of  
 336 the misallocations, the basis upon which the determination was

337 made, data supporting the determination, and the identity of  
338 each affected jurisdiction. The notice shall also inform each  
339 affected jurisdiction of its authority to enter into a written  
340 agreement establishing a method of adjustment as described in  
341 sub-subparagraph c.

342 b. An adjustment affecting a distribution to a  
343 jurisdiction that is less than 90 percent of the average monthly  
344 distribution to that jurisdiction for the 6 months immediately  
345 preceding the department's determination, as reported by all  
346 communications services dealers, shall be made in the month  
347 immediately after the department's determination that  
348 misallocations occurred.

349 c. If an adjustment affecting a distribution to a  
350 jurisdiction equals or exceeds 90 percent of the average monthly  
351 distribution to that jurisdiction for the 6 months immediately  
352 preceding the department's determination, as reported by all  
353 communications services dealers, the affected jurisdictions may  
354 enter into a written agreement establishing a method of  
355 adjustment. If the agreement establishing a method of adjustment  
356 provides for payments of local communications services tax  
357 monthly distributions, the amount of any such payment agreed to  
358 may not exceed the local communications services tax monthly  
359 distributions available to the jurisdiction that was allocated  
360 amounts in excess of those to which the jurisdiction was  
361 entitled. If affected jurisdictions execute a written agreement  
362 specifying a method of adjustment, a copy of the written  
363 agreement shall be provided to the department no later than the  
364 first day of the month following 90 days after the date the

HB 1623

2007

365 department transmits notice of the misallocations. If the  
366 department does not receive a copy of the written agreement  
367 within the specified time period, an adjustment affecting a  
368 distribution to a jurisdiction made pursuant to this sub-  
369 subparagraph shall be prorated over a time period that equals  
370 the time period over which the misallocations occurred.

371 Section 9. Paragraph (a) of subsection (2) of section  
372 202.20, Florida Statutes, is amended to read:

373 202.20 Local communications services tax conversion  
374 rates.--

375 (2)(a)1. With respect to any local taxing jurisdiction,  
376 if, for the periods ending December 31, 2001; March 31, 2002;  
377 June 30, 2002; or September 30, 2002, the revenues received by  
378 that local government from the local communications services tax  
379 imposed under subsection (1) are less than the revenues received  
380 from the replaced revenue sources for the corresponding 2000-  
381 2001 period; plus reasonably anticipated growth in such revenues  
382 over the preceding 1-year period, based on the average growth of  
383 such revenues over the immediately preceding 5-year period; plus  
384 an amount representing the revenues from the replaced revenue  
385 sources for the 1-month period that the local taxing  
386 jurisdiction was required to forego, the governing authority may  
387 adjust the rate of the local communications services tax upward  
388 to the extent necessary to generate the entire shortfall in  
389 revenues within 1 year after the rate adjustment and by an  
390 amount necessary to generate the expected amount of revenue on  
391 an ongoing basis.

392 2. If complete data are not available at the time of

HB 1623

2007

393 determining whether the revenues received by a local government  
394 from the local communications services tax imposed under  
395 subsection (1) are less than the revenues received from the  
396 replaced revenue sources for the corresponding 2000-2001 period,  
397 as set forth in subparagraph 1., the local government shall use  
398 the best data available for the corresponding 2000-2001 period  
399 in making such determination. Complete data shall be deemed  
400 available to all local governments after the department notifies  
401 local governments that the department has completed audits,  
402 including the redistribution of local tax revenues, of dealers  
403 who account for at least 80 percent of the amount of  
404 communication services tax revenues received for fiscal year  
405 2005-2006.

406 3. The adjustment permitted under subparagraph 1. may be  
407 made by emergency ordinance or resolution and may be made  
408 notwithstanding the maximum rate established under s. 202.19(2)  
409 and notwithstanding any schedules or timeframes or any other  
410 limitations contained in this chapter. Beginning July 1, 2007, a  
411 local government may make such adjustment only if the department  
412 or a dealer allocates or reallocates revenues away from the  
413 local government. However, any such adjustment shall be made no  
414 later than 6 months after the date the department notifies the  
415 local governments in writing that complete data is available.  
416 The emergency ordinance or resolution shall specify an effective  
417 date for the adjusted rate, which shall be no less than 60 days  
418 after the date of adoption of the ordinance or resolution and  
419 shall be effective with respect to taxable services included on  
420 bills that are dated on the first day of a month subsequent to

HB 1623

2007

421 the expiration of the 60-day period. At the end of 1 year  
422 following the effective date of such adjusted rate, the local  
423 governing authority shall, as soon as is consistent with s.  
424 202.21, reduce the rate by that portion of the emergency rate  
425 which was necessary to recoup the amount of revenues not  
426 received prior to the implementation of the emergency rate.

427 4. If, for the period October 1, 2001, through September  
428 30, 2002, the revenues received by a local government from the  
429 local communications services tax conversion rate established  
430 under subsection (1), adjusted upward for the difference in  
431 rates between paragraphs (1)(a) and (b) or any other rate  
432 adjustments or base changes, are above the threshold of 10  
433 percent more than the revenues received from the replaced  
434 revenue sources for the corresponding 2000-2001 period plus  
435 reasonably anticipated growth in such revenues over the  
436 preceding 1-year period, based on the average growth of such  
437 revenues over the immediately preceding 5-year period, the  
438 governing authority must adjust the rate of the local  
439 communications services tax to the extent necessary to reduce  
440 revenues to the threshold by emergency ordinance or resolution  
441 within the timeframes established in subparagraph 3. The  
442 foregoing rate adjustment requirement shall not apply to a local  
443 government that adopts a local communications services tax rate  
444 by resolution or ordinance. If complete data are not available  
445 at the time of determining whether the revenues exceed the  
446 threshold, the local government shall use the best data  
447 available for the corresponding 2000-2001 period in making such  
448 determination. This subparagraph shall not be construed as

HB 1623

2007

449 establishing a right of action for any person to enforce this  
450 subparagraph or challenge a local government's implementation of  
451 this subparagraph.

452 Section 10. Paragraph (d) of subsection (2) of section  
453 202.28, Florida Statutes, is amended to read:

454 202.28 Credit for collecting tax; penalties.--

455 (2)

456 (d) If a dealer fails to separately report and identify  
457 local communications services taxes on the appropriate return  
458 schedule, the dealer shall be subject to a penalty of \$5,000 per  
459 return. If the department is unable to obtain appropriate return  
460 schedules, any penalty imposed by this paragraph shall be  
461 allocated in the same manner as provided in s. 202.18(2).

462 Section 11. Effective January 1, 2008, subsection (1) of  
463 section 202.30, Florida Statutes, is amended to read:

464 202.30 Payment of taxes by electronic funds transfer;  
465 filing of returns by electronic data interchange.--

466 (1) A dealer of communications services is required to  
467 remit taxes by electronic funds transfer, in the manner  
468 prescribed by the department, when the amount of tax paid by the  
469 dealer under this chapter, chapter 203, or chapter 212 in the  
470 previous state fiscal year was \$50,000 or more; effective  
471 January 1, 2009, was \$27,000 or more; or, effective January 1,  
472 2010, was \$24,000 or more.

473 Section 12. Subsection (8) is added to section 206.02,  
474 Florida Statutes, to read:

HB 1623

2007

475           206.02 Application for license; temporary license;  
476 terminal suppliers, importers, exporters, blenders, biodiesel  
477 manufacturers, and wholesalers.--

478           (8) (a) Notwithstanding any other provision of this  
479 chapter, the department may grant a temporary fuel license for  
480 immediate use if:

481           1. The Governor has declared a state of emergency under s.  
482 252.36; or

483           2. The President of the United States has declared a major  
484 disaster in this state or in any other state or territory of the  
485 United States.

486           (b) Notwithstanding the provisions of this chapter  
487 requiring a license tax and a bond or criminal background check,  
488 the department may issue a temporary license as an importer or  
489 exporter to a person who holds a valid Florida wholesaler  
490 license or to a person who is an unlicensed dealer. A license  
491 may be issued under this subsection only to a business that has  
492 a physical location in this state and holds a valid Florida  
493 sales and use tax certificate of registration or that holds a  
494 valid fuel license issued by another state.

495           (c) A temporary license shall expire on the last day of  
496 the month following the month in which the temporary license was  
497 issued. The department may extend any temporary license on a  
498 month-to-month basis during the period of a declared state of  
499 emergency or major disaster as provided in this subsection. If  
500 the department extends a temporary license, the extended license  
501 expires on the last day of the month in which the temporary  
502 license was extended.

503 (d) In order to procure a temporary license, a nonresident  
 504 business must provide to the department the information required  
 505 in subsection (4); the federal identification number of the  
 506 business or, if such number is unavailable, the social security  
 507 number of the owner; and any other information that is required  
 508 by the department.

509 (e) A temporary license authorized by this subsection may  
 510 not be renewed if the licensee has not filed the required  
 511 returns or made payment of the taxes required under this  
 512 chapter.

513 Section 13. Subsection (5) is added to section 206.021,  
 514 Florida Statutes, to read:

515 206.021 Application for license; carriers.--

516 (5) (a) Notwithstanding any other provision of this  
 517 chapter, the department may grant a temporary fuel license for  
 518 immediate use if:

519 1. The Governor has declared a state of emergency under s.  
 520 252.36; or

521 2. The President of the United States has declared a major  
 522 disaster in this state or in any other state or territory of the  
 523 United States.

524 (b) Notwithstanding the provisions of this chapter  
 525 requiring a license tax and a bond or criminal background check,  
 526 the department may issue a temporary license as a carrier to a  
 527 person who holds a valid Florida wholesaler, importer, exporter,  
 528 or blender license or to a person who is an unlicensed dealer. A  
 529 license may be issued under this subsection only to a business  
 530 that has a physical location in this state and holds a valid

HB 1623

2007

531 Florida sales and use tax certificate of registration or that  
532 holds a valid fuel license issued by another state.

533 (c) A temporary license shall expire on the last day of  
534 the month following the month in which the temporary license was  
535 issued. The department may extend any temporary license on a  
536 month-to-month basis during the period of a declared state of  
537 emergency or major disaster as provided in this subsection. If  
538 the department extends a temporary license, the extended license  
539 expires on the last day of the month in which the temporary  
540 license was extended.

541 (d) In order to procure a temporary license, a nonresident  
542 business must provide to the department the information required  
543 in subsection (2); the federal identification number of the  
544 business or, if such number is unavailable, the social security  
545 number of the owner; and any other information that is required  
546 by the department.

547 (e) A temporary license authorized by this subsection may  
548 not be renewed if the licensee has not filed the required  
549 returns or made payment of the taxes required under this  
550 chapter.

551 Section 14. Subsection (4) is added to section 206.9943,  
552 Florida Statutes, to read:

553 206.9943 Pollutant tax license.--

554 (4) A temporary pollutant tax license may be issued to a  
555 holder of a valid Florida temporary importer license, temporary  
556 wholesaler license, or temporary exporter license issued under  
557 s. 206.02. A temporary pollutant tax license is subject to s.  
558 206.02(8).

559 Section 15. Paragraphs (d) and (e) of subsection (9) of  
 560 section 211.3103, Florida Statutes, are amended to read:

561 211.3103 Levy of tax on severance of phosphate rock; rate,  
 562 basis, and distribution of tax.--

563 (9)

564 (d) If the producer price index for phosphate rock  
 565 ~~chemical and fertilizer mineral mining~~ is substantially revised,  
 566 the department shall make appropriate adjustment in the method  
 567 used to compute the base rate adjustment under this subsection  
 568 which will produce results reasonably consistent with the result  
 569 that ~~which~~ would have been obtained if the producer price index  
 570 for phosphate rock ~~primary products~~ had not been revised.  
 571 However, the tax rate shall not be less than \$1.56 per ton  
 572 severed.

573 (e) If ~~In the event~~ the producer price index for phosphate  
 574 rock ~~primary products~~ is discontinued, ~~then~~ a comparable index  
 575 shall be selected by the department and adopted by rule.

576 Section 16. Subsection (33) of section 212.02, Florida  
 577 Statutes, is amended to read:

578 212.02 Definitions.--The following terms and phrases when  
 579 used in this chapter have the meanings ascribed to them in this  
 580 section, except where the context clearly indicates a different  
 581 meaning:

582 (33) "Qualified aircraft" means any aircraft having a  
 583 maximum certified takeoff weight of less than 10,000 pounds and  
 584 equipped with twin turbofan engines that meet Stage IV noise  
 585 requirements that is used by a business operating as an on-  
 586 demand air carrier under Federal Aviation Administration

HB 1623

2007

587 Regulation Title 14, chapter I, part 135, Code of Federal  
 588 Regulations, that owns or leases and operates a fleet of at  
 589 least 25 of such aircraft in this state.

590 Section 17. Paragraph (a) of subsection (3) of section  
 591 212.0305, Florida Statutes, is amended to read:

592 212.0305 Convention development taxes; intent;  
 593 administration; authorization; use of proceeds.--

594 (3) APPLICATION; ADMINISTRATION; PENALTIES.--

595 (a) The convention development tax on transient rentals  
 596 imposed by the governing body of any county authorized to so  
 597 levy shall apply to the amount of any payment made by any person  
 598 to rent, lease, let, or grant a license to ~~or~~ use for a period  
 599 of 6 months or less any living quarters or accommodations in a  
 600 hotel, apartment hotel, motel, resort motel, apartment,  
 601 apartment motel, roominghouse, tourist or trailer camp, mobile  
 602 home park, recreational vehicle park, or condominium. When  
 603 receipt of consideration is by way of property other than money,  
 604 the tax shall be levied and imposed on the fair market value of  
 605 such nonmonetary consideration. Any payment made by a person to  
 606 rent, lease, let, or grant a license to ~~or~~ use any living  
 607 quarters or accommodations which are exempt from the tax imposed  
 608 under s. 212.03 shall likewise be exempt from any tax imposed  
 609 under this section.

610 Section 18. Paragraph (h) of subsection (1) of section  
 611 212.05, Florida Statutes, is amended to read:

612 212.05 Sales, storage, use tax.--It is hereby declared to  
 613 be the legislative intent that every person is exercising a  
 614 taxable privilege who engages in the business of selling

615 tangible personal property at retail in this state, including  
 616 the business of making mail order sales, or who rents or  
 617 furnishes any of the things or services taxable under this  
 618 chapter, or who stores for use or consumption in this state any  
 619 item or article of tangible personal property as defined herein  
 620 and who leases or rents such property within the state.

621 (1) For the exercise of such privilege, a tax is levied on  
 622 each taxable transaction or incident, which tax is due and  
 623 payable as follows:

624 (h)1. ~~Beginning January 1, 1995,~~ A tax is imposed at the  
 625 rate of 4 percent on the charges for the use of coin-operated  
 626 amusement machines. The tax shall be calculated by dividing the  
 627 gross receipts from such charges for the applicable reporting  
 628 period by a divisor, determined as provided in this  
 629 subparagraph, to compute gross taxable sales, and then  
 630 subtracting gross taxable sales from gross receipts to arrive at  
 631 the amount of tax due. For counties that do not impose a  
 632 discretionary sales surtax, the divisor is equal to 1.04;~~;~~  
 633 ~~except that~~ for counties that impose a 0.5 percent discretionary  
 634 sales surtax, ~~with a 6.5 percent sales tax rate~~ the divisor is  
 635 ~~shall be~~ equal to 1.045;~~;~~ and for counties that impose a 1  
 636 percent discretionary sales surtax, ~~with a 7.0 percent sales tax~~  
 637 rate the divisor is ~~shall be~~ equal to 1.050; and for counties  
 638 that impose a 2 percent sales surtax, the divisor is equal to  
 639 1.060. If a county imposes a discretionary sales surtax that is  
 640 not listed in this subparagraph, the department shall make the  
 641 applicable divisor available in an electronic format or  
 642 otherwise. Additional divisors shall bear the same mathematical

HB 1623

2007

643 relationship to the next higher and next lower divisors as the  
644 new surtax rate bears to the next higher and next lower surtax  
645 rates for which divisors have been established. When a machine  
646 is activated by a slug, token, coupon, or any similar device  
647 which has been purchased, the tax is on the price paid by the  
648 user of the device for such device.

649 2. As used in this paragraph, the term "operator" means  
650 any person who possesses a coin-operated amusement machine for  
651 the purpose of generating sales through that machine and who is  
652 responsible for removing the receipts from the machine.

653 a. If the owner of the machine is also the operator of it,  
654 he or she shall be liable for payment of the tax without any  
655 deduction for rent or a license fee paid to a location owner for  
656 the use of any real property on which the machine is located.

657 b. If the owner or lessee of the machine is also its  
658 operator, he or she shall be liable for payment of the tax on  
659 the purchase or lease of the machine, as well as the tax on  
660 sales generated through the machine.

661 c. If the proprietor of the business where the machine is  
662 located does not own the machine, he or she shall be deemed to  
663 be the lessee and operator of the machine and is responsible for  
664 the payment of the tax on sales, unless such responsibility is  
665 otherwise provided for in a written agreement between him or her  
666 and the machine owner.

667 3.a. An operator of a coin-operated amusement machine may  
668 not operate or cause to be operated in this state any such  
669 machine until the operator has registered with the department  
670 and has conspicuously displayed an identifying certificate

671 issued by the department. The identifying certificate shall be  
672 issued by the department upon application from the operator. The  
673 identifying certificate shall include a unique number, and the  
674 certificate shall be permanently marked with the operator's  
675 name, the operator's sales tax number, and the maximum number of  
676 machines to be operated under the certificate. An identifying  
677 certificate shall not be transferred from one operator to  
678 another. The identifying certificate must be conspicuously  
679 displayed on the premises where the coin-operated amusement  
680 machines are being operated.

681 b. The operator of the machine must obtain an identifying  
682 certificate before the machine is first operated in the state  
683 and by July 1 of each year thereafter. The annual fee for each  
684 certificate shall be based on the number of machines identified  
685 on the application times \$30 and is due and payable upon  
686 application for the identifying device. The application shall  
687 contain the operator's name, sales tax number, business address  
688 where the machines are being operated, and the number of  
689 machines in operation at that place of business by the operator.  
690 No operator may operate more machines than are listed on the  
691 certificate. A new certificate is required if more machines are  
692 being operated at that location than are listed on the  
693 certificate. The fee for the new certificate shall be based on  
694 the number of additional machines identified on the application  
695 form times \$30.

696 c. A penalty of \$250 per machine is imposed on the  
697 operator for failing to properly obtain and display the required  
698 identifying certificate. A penalty of \$250 is imposed on the

699 lessee of any machine placed in a place of business without a  
 700 proper current identifying certificate. Such penalties shall  
 701 apply in addition to all other applicable taxes, interest, and  
 702 penalties.

703 d. Operators of coin-operated amusement machines must  
 704 obtain a separate sales and use tax certificate of registration  
 705 for each county in which such machines are located. One sales  
 706 and use tax certificate of registration is sufficient for all of  
 707 the operator's machines within a single county.

708 4. The provisions of this paragraph do not apply to coin-  
 709 operated amusement machines owned and operated by churches or  
 710 synagogues.

711 5. In addition to any other penalties imposed by this  
 712 chapter, a person who knowingly and willfully violates any  
 713 provision of this paragraph commits a misdemeanor of the second  
 714 degree, punishable as provided in s. 775.082 or s. 775.083.

715 6. The department may adopt rules necessary to administer  
 716 the provisions of this paragraph.

717 Section 19. Subsection (3) of section 212.0506, Florida  
 718 Statutes, is amended to read:

719 212.0506 Taxation of service warranties.--

720 (3) For purposes of this section, "service warranty" means  
 721 any contract or agreement which indemnifies the holder of the  
 722 contract or agreement for the cost of maintaining, repairing, or  
 723 replacing tangible personal property. The term "service  
 724 warranty" does not include contracts or agreements to repair,  
 725 maintain, or replace tangible personal property if such property  
 726 when sold at retail in this state would not be subject to the

HB 1623

2007

727 tax imposed by this chapter or if the parts and labor required  
728 to repair tangible personal property qualify for an exemption  
729 under this chapter, nor does it include such contracts or  
730 agreements covering tangible personal property which becomes a  
731 part of real property.

732 Section 20. Subsection (2) of section 212.0515, Florida  
733 Statutes, is amended to read:

734 212.0515 Sales from vending machines; sales to vending  
735 machine operators; special provisions; registration;  
736 penalties.--

737 (2) Notwithstanding any other provision of law, the amount  
738 of the tax to be paid on food, beverages, or other items of  
739 tangible personal property that are sold in vending machines  
740 shall be calculated by dividing the gross receipts from such  
741 sales for the applicable reporting period by a divisor,  
742 determined as provided in this subsection, to compute gross  
743 taxable sales, and then subtracting gross taxable sales from  
744 gross receipts to arrive at the amount of tax due. For counties  
745 that do not impose a discretionary sales surtax, the divisor is  
746 equal to the sum of 1.0645 for beverage and food items, or  
747 1.0659 for other items of tangible personal property; ~~except~~  
748 ~~that~~ for counties with a 0.5 percent sales surtax rate the  
749 divisor is equal to the sum of 1.0686 for beverage and food  
750 items or 1.0707 for other items of tangible personal property;  
751 for counties with a 0.75 percent sales surtax rate the divisor  
752 is equal to the sum of 1.0706 for beverage and food items or  
753 1.0727 for other items of tangible personal property; for  
754 counties with a 1 percent sales surtax rate the divisor is equal

HB 1623

2007

755 to the sum of 1.0726 for beverage and food items or 1.0749 for  
756 other items of tangible personal property; ~~and~~ for counties with  
757 a 1.5 percent sales surtax rate the divisor is equal to the sum  
758 of 1.0767 for beverage and food items or 1.0791 for other items  
759 of tangible personal property; and for counties with a 2 percent  
760 sales surtax rate, the divisor is equal to the sum of 1.0808 for  
761 beverage and food items or 1.0833 for other items of tangible  
762 personal property. When a county imposes a surtax rate that is  
763 not listed in this subparagraph, the department shall make the  
764 applicable divisor available in an electronic format or  
765 otherwise. Additional divisors shall bear the same mathematical  
766 relationship to the next higher and next lower divisors as the  
767 new surtax rate bears to the next higher and next lower surtax  
768 rates for which divisors have been established. If an operator  
769 cannot account for each type of item sold through a vending  
770 machine, the highest tax rate shall be used for all products  
771 sold through that machine.

772 Section 21. Paragraphs (g), (h), (n), and (o) of  
773 subsection (5) of section 212.08, Florida Statutes, are amended,  
774 and paragraph (eee) is added to subsection (7) of that section,  
775 to read:

776 212.08 Sales, rental, use, consumption, distribution, and  
777 storage tax; specified exemptions.--The sale at retail, the  
778 rental, the use, the consumption, the distribution, and the  
779 storage to be used or consumed in this state of the following  
780 are hereby specifically exempt from the tax imposed by this  
781 chapter.

782 (5) EXEMPTIONS; ACCOUNT OF USE.--

783 (g) Building materials used in the rehabilitation of real  
 784 property located in an enterprise zone.--

785 1. Building materials used in the rehabilitation of real  
 786 property located in an enterprise zone shall be exempt from the  
 787 tax imposed by this chapter upon an affirmative showing to the  
 788 satisfaction of the department that the items have been used for  
 789 the rehabilitation of real property located in an enterprise  
 790 zone. Except as provided in subparagraph 2., this exemption  
 791 inures to the owner, lessee, or lessor of the rehabilitated real  
 792 property located in an enterprise zone only through a refund of  
 793 previously paid taxes. To receive a refund pursuant to this  
 794 paragraph, the owner, lessee, or lessor of the rehabilitated  
 795 real property located in an enterprise zone must file an  
 796 application under oath with the governing body or enterprise  
 797 zone development agency having jurisdiction over the enterprise  
 798 zone where the business is located, as applicable, which  
 799 includes:

800 a. The name and address of the person claiming the refund.

801 b. An address and assessment roll parcel number of the  
 802 rehabilitated real property in an enterprise zone for which a  
 803 refund of previously paid taxes is being sought.

804 c. A description of the improvements made to accomplish  
 805 the rehabilitation of the real property.

806 d. A copy of the building permit issued for the  
 807 rehabilitation of the real property.

808 e. A sworn statement, under the penalty of perjury, from  
 809 the general contractor licensed in this state with whom the  
 810 applicant contracted to make the improvements necessary to

HB 1623

2007

811 accomplish the rehabilitation of the real property, which  
812 statement lists the building materials used in the  
813 rehabilitation of the real property, the actual cost of the  
814 building materials, and the amount of sales tax paid in this  
815 state on the building materials. In the event that a general  
816 contractor has not been used, the applicant shall provide this  
817 information in a sworn statement, under the penalty of perjury.  
818 Copies of the invoices which evidence the purchase of the  
819 building materials used in such rehabilitation and the payment  
820 of sales tax on the building materials shall be attached to the  
821 sworn statement provided by the general contractor or by the  
822 applicant. Unless the actual cost of building materials used in  
823 the rehabilitation of real property and the payment of sales  
824 taxes due thereon is documented by a general contractor or by  
825 the applicant in this manner, the cost of such building  
826 materials shall be an amount equal to 40 percent of the increase  
827 in assessed value for ad valorem tax purposes.

828 f. The identifying number assigned pursuant to s. 290.0065  
829 to the enterprise zone in which the rehabilitated real property  
830 is located.

831 g. A certification by the local building code inspector

 1241 institution, the taxpayer, or the department and the  
 1242 unintentional error is substantiated by the department. The  
 1243 department shall maintain records of all compromises, and the  
 1244 records shall state the basis for the compromise.

1245 Section 24. Effective January 1, 2008, subsection (1) of  
 1246 section 213.755, Florida Statutes, is amended to read:

1247 213.755 Filing of returns and payment of taxes by  
 1248 electronic means.--

1249 (1) The executive director of the Department of Revenue  
 1250 ~~may shall have authority to~~ require a taxpayer to file returns  
 1251 and remit payments by electronic means in circumstances in which  
 1252 ~~where~~ the taxpayer is subject to tax and has paid that tax in  
 1253 the prior state fiscal year in an amount of \$30,000 or more;  
 1254 effective January 1, 2009, \$27,000 or more; or, effective

1255 January 1, 2010, \$24,000 or more. Any taxpayer who operates two  
 1256 or more places of business for which returns are required to be  
 1257 filed with the department shall combine the tax payments for all  
 1258 such locations in order to determine whether they are obligated  
 1259 under this section. This subsection does not override additional  
 1260 requirements in any provision of a revenue law which the  
 1261 department has the responsibility for regulating, controlling,  
 1262 and administering.

1263 Section 25. Subsection (2) of section 220.21, Florida  
 1264 Statutes, is amended, and subsection (3) is added to that  
 1265 section, to read:

1266 220.21 Returns and records; regulations.--

1267 (2) A taxpayer who is required to file its federal income  
 1268 tax return by electronic means on a separate or consolidated  
 1269 basis shall file returns required by this chapter by electronic  
 1270 means. For the reasons described in s. 213.755(9), the  
 1271 department may waive the requirement to file a return by  
 1272 electronic means for taxpayers that are unable to comply despite  
 1273 good faith efforts or due to circumstances beyond the taxpayer's  
 1274 reasonable control. The provisions of this subsection are in  
 1275 addition to the requirements of s. 213.755 to electronically  
 1276 file returns and remit payments required under this chapter. A  
 1277 ~~taxpayer may choose to file a return required by this code in a~~  
 1278 ~~form initiated through a telephonic or electronic data~~  
 1279 ~~interchange using an advanced encrypted transmission by means of~~  
 1280 ~~the Internet or other suitable transmission. The department may~~  
 1281 ~~shall~~ prescribe by rule the format and instructions necessary  
 1282 for electronic ~~such~~ filing to ensure a full collection of taxes

1283 due. In addition to the authority granted under s. 213.755, the  
 1284 acceptable method of transfer, the method, form, and content of  
 1285 the electronic data interchange, and the means, if any, by which  
 1286 the taxpayer will be provided with an acknowledgment ~~may shall~~  
 1287 be prescribed by the department. In the case of any failure to  
 1288 comply with the electronic filing requirements of this  
 1289 subsection, a penalty shall be added to the amount of tax due  
 1290 with such return equal to 5 percent of such tax for the first 30  
 1291 days the return is not filed electronically, with an additional  
 1292 5 percent of such tax for each additional month or fraction  
 1293 thereof, not to exceed the greater of 10 percent of the amount  
 1294 of such tax or \$250. The department may settle or compromise the  
 1295 penalty pursuant to s. 213.21. This penalty is in addition to  
 1296 any other penalty that may be applicable and shall be assessed,  
 1297 collected, and paid in the same manner as taxes.

1298 (3) In addition to its authority under s. 213.755, the  
 1299 department may adopt rules requiring or allowing taxpayers to  
 1300 use an electronic filing system to file returns required by  
 1301 subsection (2), including any electronic systems developed by  
 1302 the Internal Revenue Service. Rulemaking authority requiring  
 1303 electronic filing is limited to the federal corporate income tax  
 1304 filing threshold for electronic filing as it exists on January  
 1305 1, 2007.

1306 Section 26. The amendments made by this act to s.  
 1307 220.21(2), Florida Statutes, apply to returns due on or after  
 1308 January 1, 2008.

1309 Section 27. Paragraph (d) of subsection (1) of section  
 1310 443.1216, Florida Statutes, is amended to read:

1311           443.1216   Employment.--Employment, as defined in s.  
 1312   443.036, is subject to this chapter under the following  
 1313   conditions:

1314           (1)

1315           (d)   If two or more related corporations concurrently  
 1316   employ the same individual and compensate the individual through  
 1317   a common paymaster, each related corporation is considered to  
 1318   have paid wages to the individual only in the amounts actually  
 1319   disbursed by that corporation to the individual and is not  
 1320   considered to have paid the wages actually disbursed to the  
 1321   individual by another of the related corporations. The Agency  
 1322   for Workforce Innovation and the tax collection service provider  
 1323   may adopt rules pursuant to ss. 120.536(1) and 120.54 necessary  
 1324   to administer this paragraph.

1325           1.   As used in this paragraph, the term "common paymaster"  
 1326   means a member of a group of related corporations that disburses  
 1327   wages to concurrent employees on behalf of the related  
 1328   corporations and that is responsible for keeping payroll records  
 1329   for those concurrent employees. A common paymaster is not  
 1330   required to disburse wages to all the employees of the related  
 1331   corporations; however, this subparagraph does not apply to wages  
 1332   of concurrent employees which are not disbursed through a common  
 1333   paymaster. A common paymaster must pay concurrently employed  
 1334   individuals under this subparagraph by one combined paycheck.

1335           2.   As used in this paragraph, the term "concurrent  
 1336   employment" means the existence of simultaneous employment  
 1337   relationships between an individual and related corporations.  
 1338   Those relationships require the performance of services by the

HB 1623

2007

1339 employee for the benefit of the related corporations, including  
1340 the common paymaster, in exchange for wages that, if deductible  
1341 for the purposes of federal income tax, are deductible by the  
1342 related corporations.

1343 3. Corporations are considered related corporations for an  
1344 entire calendar quarter if they satisfy any one of the following  
1345 tests at any time during the calendar quarter:

1346 a. The corporations are members of a "controlled group of  
1347 corporations" as defined in s. 1563 of the Internal Revenue Code  
1348 of 1986 or would be members if paragraph 1563(a)(4) and  
1349 subsection 1563(b) did not apply.

1350 b. In the case of a corporation that does not issue stock,  
1351 at least 50 percent of the members of the board of directors or  
1352 other governing body of one corporation are members of the board  
1353 of directors or other governing body of the other corporation or  
1354 the holders of at least 50 percent of the voting power to select  
1355 those members are concurrently the holders of at least 50  
1356 percent of the voting power to select those members of the other  
1357 corporation.

1358 c. At least 50 percent of the officers of one corporation  
1359 are concurrently officers of the other corporation.

1360 d. At least 30 percent of the employees of one corporation  
1361 are concurrently employees of the other corporation.

1362 4. The common paymaster must report to the tax collection  
1363 service provider, as part of the unemployment compensation  
1364 quarterly tax and wage report, the state unemployment  
1365 compensation account number and name of each related corporation  
1366 for which concurrent employees are being reported. Failure to

HB 1623

2007

1367 | timely report this information shall result in the related  
1368 | corporations being denied common paymaster status for that  
1369 | calendar quarter.

1370 |         5. The common paymaster also has the primary  
1371 | responsibility for remitting contributions due under this  
1372 | chapter for the wages it disburses as the common paymaster. The  
1373 | common paymaster must compute these contributions as though it  
1374 | were the sole employer of the concurrently employed individuals.  
1375 | If a common paymaster fails to timely remit these contributions  
1376 | or reports, in whole or in part, the common paymaster remains  
1377 | liable for the full amount of the unpaid portion of these  
1378 | contributions. In addition, each of the other related  
1379 | corporations using the common paymaster is jointly and severally  
1380 | liable for its appropriate share of these contributions. Each  
1381 | related corporation's share equals the greater of:

1382 |         a. The liability of the common paymaster under this  
1383 | chapter, after taking into account any contributions made.

1384 |         b. The liability under this chapter which, notwithstanding  
1385 | this section, would have existed for the wages from the other  
1386 | related corporations, reduced by an allocable portion of any  
1387 | contributions previously paid by the common paymaster for those  
1388 | wages.

1389 |         Section 28. Subsection (2) of section 443.1316, Florida  
1390 | Statutes, is amended to read:

1391 |         443.1316 Unemployment tax collection services; interagency  
1392 | agreement.--

1393 |         (2) (a) The Department of Revenue is considered to be  
1394 | administering a revenue law of this state when the department

1395 implements this chapter, or otherwise provides unemployment tax  
 1396 collection services, under contract with the Agency for  
 1397 Workforce Innovation through the interagency agreement.

1398 (b) Sections 213.015(1), (2), (3), (5), (6), (7), (9)-  
 1399 (21), 213.018, 213.025, 213.051, 213.053, 213.0535, 213.055,  
 1400 213.06, 213.071, 213.10, 213.21(4), 213.2201, 213.23, 213.24,  
 1401 213.25, ~~213.24(2)~~, 213.27, 213.28, 213.285, 213.34(1), (3), and  
 1402 (4), 213.37, 213.50, 213.67, 213.69, 213.73, 213.733, 213.74,  
 1403 and 213.757 apply to the collection of unemployment  
 1404 contributions and reimbursements by the Department of Revenue  
 1405 unless prohibited by federal law.

1406 ~~(c) The Department of Revenue may charge no more than 10~~  
 1407 ~~percent of the total cost of the interagency agreement for the~~  
 1408 ~~overhead or indirect costs, or for any other costs not required~~  
 1409 ~~for the payment of the direct costs, of providing unemployment~~  
 1410 ~~tax collection services.~~

1411 Section 29. Subsection (3) is added to section 624.511,  
 1412 Florida Statutes, to read:

1413 624.511 Tax statement; overpayments.--

1414 (3)(a) If, upon examination of an insurance premium tax  
 1415 return made under this chapter, it appears that an amount of  
 1416 insurance premium tax has been paid in excess of the amount due,  
 1417 the Department of Revenue may refund the amount of the  
 1418 overpayment to the taxpayer by a warrant of the Chief Financial  
 1419 Officer. The department may refund the overpayment without  
 1420 regard to whether the taxpayer has filed a written claim for a  
 1421 refund; however, the department may request that the taxpayer  
 1422 file a statement affirming that the taxpayer made the

HB 1623

2007

1423 overpayment.

1424 (b) Notwithstanding paragraph (a), a refund of the  
1425 insurance premium tax may not be made, and a taxpayer is not  
1426 entitled to bring an action for a refund of the insurance  
1427 premium tax, after the period specified in s. 215.26(2) has  
1428 elapsed.

1429 (c) If a refund issued by the department under this  
1430 subsection is found to exceed the amount of refund legally due  
1431 to the taxpayer, the provisions of s. 624.5092 concerning  
1432 penalties and interest shall not apply if the taxpayer  
1433 reimburses the department for any overpayment within 60 days  
1434 after the taxpayer is notified that the overpayment was made.

1435 Section 30. Reimbursement of ad valorem taxes levied on  
1436 residential property rendered uninhabitable due to tornadoes.--

1437 (1) If a house or other residential building or structure  
1438 that has been granted the homestead exemption under s. 196.031,  
1439 Florida Statutes, is damaged so that it is rendered  
1440 uninhabitable due to a tornado on December 25, 2006, or February  
1441 2, 2007, the ad valorem taxes levied for that house or other  
1442 residential building for the 2006 or 2007 tax year,  
1443 respectively, shall be partially reimbursed in the following  
1444 manner:

1445 (a) An application must be filed by the owner, on or  
1446 before October 1 of the year following the year in which the  
1447 tornado occurred, with the property appraiser in the county  
1448 where the property is located. Failure to file such application  
1449 on or before the applicable deadline constitutes a waiver of any  
1450 claim for partial reimbursement under this section. The

1451 application must be filed in the manner and form prescribed by  
 1452 the property appraiser.

1453 (b) The application, attested to under oath, must identify  
 1454 the property rendered uninhabitable by a tornado, the date the  
 1455 damage occurred, and the number of days the property was  
 1456 uninhabitable after the damage occurred. Documentation  
 1457 supporting the claim that the property was uninhabitable must  
 1458 accompany the application. Such documentation may include, but  
 1459 is not limited to, utility bills, insurance information,  
 1460 contractors' statements, building permit applications, or  
 1461 building inspection certificates of occupancy.

1462 (c) Upon receipt of the application, the property  
 1463 appraiser shall investigate the statements contained in the  
 1464 application to determine whether the applicant is entitled to a  
 1465 partial reimbursement under this section. If the property  
 1466 appraiser determines that the applicant is entitled to such  
 1467 reimbursement, the property appraiser shall calculate the  
 1468 reimbursement amount. The reimbursement shall be an amount equal  
 1469 to the total ad valorem taxes levied on the homestead property  
 1470 for the applicable tax year, multiplied by a ratio equal to the  
 1471 number of days the property was uninhabitable after the damage  
 1472 occurred in the applicable year divided by 366. However, the  
 1473 amount of reimbursement may not exceed \$1,500.

1474 (d) The property appraiser shall compile a list of  
 1475 property owners entitled to a partial reimbursement. The list  
 1476 shall be submitted to the Department of Revenue no later than  
 1477 November 1 of the year following the year in which the tornado  
 1478 occurred through an electronic, web-based application provided

HB 1623

2007

1479 by the department.

1480 (e) Upon receipt of the reimbursement lists from the  
1481 property appraisers, the department shall disburse reimbursement  
1482 checks from its Administrative Trust Fund in the amounts and to  
1483 the persons indicated in the reimbursement lists received from  
1484 the property appraisers. Before disbursing any reimbursement  
1485 checks, the department shall determine the total amount of all  
1486 reimbursement requests submitted by the property appraisers. If  
1487 the total amount of reimbursements requested exceeds the amount  
1488 available for that purpose, the department shall reduce all  
1489 reimbursement checks by a percentage sufficient to reduce total  
1490 reimbursement payments to an amount equal to the appropriation,  
1491 less any amount retained pursuant to paragraph (2)(c).

1492 (f) As used in this section, the term "uninhabitable"  
1493 means a building or structure cannot be used during a period of  
1494 60 days or more for the purpose for which it was constructed.  
1495 However, if a property owner is living in an uninhabitable  
1496 structure because alternative living quarters are unavailable,  
1497 the owner is eligible for reimbursement as provided in this  
1498 section.

1499 (2)(a) The property appraiser shall notify the applicant  
1500 by mail if the property appraiser determines that the applicant  
1501 is not entitled to receive the reimbursement that he or she  
1502 applied for under this section. Such notification shall be made  
1503 on or before November 1 of the year following the year in which  
1504 the tornado occurred. If an applicant's application for  
1505 reimbursement is not fully granted, the applicant may file a  
1506 petition with the value adjustment board for review of that

HB 1623

2007

1507 decision. The petition must be filed with the value adjustment  
1508 board on or before the 30th day after the mailing of the notice  
1509 by the property appraiser.

1510 (b) The value adjustment board shall consider these  
1511 petitions as expeditiously as possible at the same time the  
1512 board considers denials of homestead exemptions pursuant to ss.  
1513 194.032 and 196.151, Florida Statutes.

1514 (c) By December 1 of the year following the year in which  
1515 the tornado occurred, the property appraiser shall notify the  
1516 department of the total amount of reimbursements denied for  
1517 which a petition with the value adjustment board has been filed.  
1518 The department shall retain an amount equal to the total amount  
1519 of claims for which petitions had been filed with the value  
1520 adjustment board or \$1 million, whichever is less. The retained  
1521 amount shall be used for the purpose of paying those claims that  
1522 were denied by the property appraiser but granted by a value  
1523 adjustment board. The department shall distribute the remaining  
1524 funds in accordance with the provisions of paragraph (1)(e) to  
1525 those property owners whose applications for reimbursement were  
1526 granted by the property appraiser.

1527 (d) The department may not pay claims for reimbursement  
1528 from the retained funds until all appeals to the value  
1529 adjustment board have become final. If reimbursements made under  
1530 paragraph (1)(e) were reduced by the department, reimbursements  
1531 granted by value adjustment boards shall be reduced by the same  
1532 percentage. If the total adjusted reimbursements approved by  
1533 value adjustment boards exceeds the amount retained by the  
1534 department for paying these reimbursements, the department shall

HB 1623

2007

1535 further reduce all reimbursement checks by a percentage  
1536 sufficient to reduce total reimbursement payments to an amount  
1537 equal to the amount retained.

1538 (3) Any person who knowingly and willfully gives false  
1539 information for the purpose of claiming reimbursement under this  
1540 section commits a misdemeanor of the first degree, punishable as  
1541 provided in s. 775.082, Florida Statutes, or by a fine not  
1542 exceeding \$5,000, or both.

1543 Section 31. Reimbursement for sales taxes paid on mobile  
1544 homes purchased to replace mobile homes damaged by a tornado.--

1545 (1) If a mobile home is purchased to replace a mobile home  
1546 that experienced major damage from a tornado that occurred on  
1547 December 25, 2006, or February 2, 2007, and if the damaged  
1548 mobile home was the permanent residence of a permanent resident  
1549 of this state, the state sales tax paid on the purchase of the  
1550 replacement mobile home shall be reimbursed in the following  
1551 manner:

1552 (a) An application must be filed on or before October 1,  
1553 2007, by the owner with the property appraiser in the county  
1554 where the damaged mobile home was located. Failure to file such  
1555 application on or before October 1, 2007, constitutes a waiver  
1556 of any claim for reimbursement under this section. The  
1557 application must be filed in the manner and form prescribed by  
1558 the property appraiser.

1559 (b) The application, attested to under oath, must identify  
1560 the mobile home that experienced major damage from a tornado  
1561 that occurred on December 25, 2006, or February 2, 2007, and the  
1562 date the damage occurred. Documentation of major damage and a

HB 1623

2007

1563 copy of the invoice for the replacement mobile home must  
1564 accompany the application. Such documentation may include, but  
1565 is not limited to, insurance information or information from the  
1566 Federal Emergency Management Agency or the American Red Cross  
1567 attesting to the major damage of the mobile home.

1568 (c) Upon receipt of the application, the property  
1569 appraiser shall investigate the statements contained in the  
1570 application to determine whether the applicant is entitled to  
1571 reimbursement under this section. If the property appraiser  
1572 determines that the applicant is entitled to reimbursement, the  
1573 property appraiser shall calculate the reimbursement amount. The  
1574 reimbursement shall be an amount equal to the state sales tax  
1575 paid on the purchase price of the replacement mobile home, as  
1576 determined by the tax tables of the Department of Revenue, which  
1577 amount may not exceed \$1,500.

1578 (d) The property appraiser shall compile a list of mobile  
1579 home owners entitled to reimbursement under this section. The  
1580 list shall be submitted to the Department of Revenue by November  
1581 1, 2007, through an electronic, web-based application provided  
1582 by the department.

1583 (e) Upon receipt of the reimbursement lists from the  
1584 property appraisers, the department shall disburse reimbursement  
1585 checks from its Administrative Trust Fund in the amounts and to  
1586 the persons indicated in the reimbursement lists received from  
1587 the property appraisers. Before disbursing any reimbursement  
1588 checks, the department shall determine the total amount of all  
1589 reimbursement requests submitted by the property appraisers. If  
1590 the total amount of reimbursements requested exceeds the amount

1591 available for that purpose, the department shall reduce all  
 1592 reimbursement checks by a percentage sufficient to reduce total  
 1593 reimbursement payments to an amount equal to the appropriation,  
 1594 less any amount retained pursuant to paragraph (2)(c).

1595 (f) As used in this section, the term:

1596 1. "Major damage" means that a mobile home is more than  
 1597 50-percent destroyed or that a mobile home cannot be inhabited  
 1598 and cannot be repaired for less than the amount of its value  
 1599 before the December 25, 2006, or February 2, 2007, tornado.

1600 2. "Mobile home" means a mobile home as defined in s.  
 1601 320.01(2)(a), Florida Statutes, a manufactured home as defined  
 1602 in s. 320.01(2)(b), Florida Statutes, or a trailer as defined in  
 1603 s. 320.08(10), Florida Statutes.

1604 3. "Permanent residence" and "permanent resident" have the  
 1605 same meanings as provided in s. 196.012, Florida Statutes.

1606 (2)(a) The property appraiser shall notify the applicant  
 1607 by mail if the property appraiser determines that the applicant  
 1608 is not entitled to receive the reimbursement that he or she  
 1609 applied for under this section. Such notification shall be made  
 1610 on or before November 1, 2007. If an applicant's application for  
 1611 reimbursement is not fully granted, the applicant may file a  
 1612 petition with the value adjustment board for review of that  
 1613 decision. The petition must be filed with the value adjustment  
 1614 board on or before the 30th day after the mailing of the notice  
 1615 by the property appraiser.

1616 (b) The value adjustment board shall consider these  
 1617 petitions as expeditiously as possible at the same time the  
 1618 board considers denials of homestead exemptions pursuant to ss.

1619 194.032 and 196.151, Florida Statutes.

1620 (c) By December 1, 2007, the property appraiser shall  
1621 notify the department of the total amount of reimbursements  
1622 denied for which a petition with the value adjustment board has  
1623 been filed. The department shall retain an amount equal to the  
1624 total amount of claims for which petitions had been filed with  
1625 the value adjustment board, or \$665,000, whichever is less. The  
1626 retained amount shall be used for the purpose of paying claims  
1627 that were denied by the property appraiser but granted by a  
1628 value adjustment board. The department shall distribute the  
1629 remaining funds in accordance with the provisions of paragraph  
1630 (1)(e) to mobile home owners whose applications for  
1631 reimbursement were granted by the property appraiser.

1632 (d) The department may not pay claims for reimbursement  
1633 from the retained funds until all appeals to the value  
1634 adjustment board have become final. If reimbursements made under  
1635 paragraph (1)(e) were reduced by the department, reimbursements  
1636 granted by value adjustment boards shall be reduced by the same  
1637 percentage. If the total adjusted reimbursements approved by  
1638 value adjustment boards exceed the amount retained by the  
1639 department for paying such reimbursements, the department shall  
1640 further reduce all reimbursement checks by a percentage  
1641 sufficient to reduce total reimbursement payments to an amount  
1642 equal to the amount retained.

1643 (3) Any person who claims reimbursement under section 30  
1644 of this act is not eligible for the reimbursement provided by  
1645 this section.

1646           (4) Any person who knowingly and willfully gives false  
 1647 information for the purpose of claiming a reimbursement under  
 1648 this section commits a misdemeanor of the first degree,  
 1649 punishable as provided in s. 775.082, Florida Statutes, or by a  
 1650 fine not exceeding \$5,000, or both.

1651           Section 32. The Department of Revenue shall forward all  
 1652 undeliverable reimbursement checks issued pursuant to sections  
 1653 30 and 31 of this act to the certifying property appraiser for  
 1654 subsequent delivery attempts.

1655           Section 33. Notwithstanding the provisions of s. 216.301,  
 1656 Florida Statutes, and in accordance with s. 216.351, Florida  
 1657 Statutes, the Executive Office of the Governor shall, on July 1,  
 1658 2007, certify forward all unexpended funds appropriated pursuant  
 1659 to this act.

1660           Section 34. It is the intent of the Legislature that  
 1661 payments made to residents under sections 30 and 31 of this act  
 1662 shall be considered disaster-relief assistance within the  
 1663 meaning of s. 139 of the Internal Revenue Code.

1664           Section 35. Section 212.095, Florida Statutes, is  
 1665 repealed.

1666           Section 36. The sum of \$70,000 is appropriated from the  
 1667 General Revenue Fund to the Administrative Trust Fund of the  
 1668 Department of Revenue for the purpose of administering this act.

1669           Section 37. (1) The sum of \$922,500 is appropriated from
