7 Be It Resolved by the Legislature of the State of Florida:

8
9 That the Florida Legislature:

10 (1) Supports, given the rapidly deteriorating
11 situation on the ground in Darfur, the principles of the Addis
12 Ababa Agreement of November 17, 2006, in order to increase
13 security and stability for the people of Darfur.

14 (2) Declares that the deployment of an African

18 international community to protect the people of Darfur.

19 (3) Supports the strengthening of the African Union
20 peacekeeping mission in Sudan so that it may improve its
21 performance with regard to civilian protection as the African
22 Union peacekeeping mission begins to transfer responsibility
23 for protecting the people of Darfur to the United

25 control of the United Nations, as laid out in the Addis Ababa
26 Agreement.

27 (4) Calls upon the Government of Sudan to immediately:

10 (b) Observe the cease-fire contained therein; and

11 (c) Respect the impartiality and neutrality of
12 humanitarian agencies so that relief workers can have
13 unfettered access to their beneficiary populations and deliver
14 desperately needed assistance.

15 (6) Urges the President to:

16 (a) Continue work with other members of the
17 international community, including the permanent members of
18 the United Nations Security Council, the African Union, the

22 | for furthering the peace are missed; and

23 | (d) Continue to monitor the conflict and political
